'CM' Gets Top Billing at Planners Meet Tuesday

Although the Planning Commission next Tuesday, November 5, faces one of the longest agendas on record, the star of the show will be the controversial "Controlled Manufacturing" zoning question. The commission convenes at 7:30 p.m. in the City Hall. Taking the spotlight away from the other items on the agenda, the public hearing on the revised "CM" ordinance may turn into a repeat performance of previous hearings when "CM" was the star and charges and counter-charges flew everywhere.

Since the last time "CM" was the star of the show, (more than a month ago) both sides have attempted to work out a compromise over some of the major points of disagreement. However, it is expected that enough points remain "uncompromised" to cause considerable warmth at the hearing. John Burnett, San Jose attorney, who has been retained by the landowners opposing "CM" is expected again to lead the attack against the controversial measure, aided and abetted by some of the more articulate property owners.

There are four other public hearings scheduled Tuesday, all four on applications of Stone and Schulte, real estate firm, for the erection of billboards to advertise various subdivisions.

Three requests for approval of plans (all apartment buildings) are also on tap. These include: Ross Owens for a nine-unit apartment in the Lawndale Subdivision; Phil Sondeno for a five-unit apartment in Sunberry Gardens; A. N. Nuefeld for a four-unit apartment in the Lawndale Subdivision.

Central Valley Farms is submitting a 24-lot subdivision map while several letters requesting information are also on the agenda.

Commissioner Kenneth Priestley is expected to report on possible zone change from industrial to commercial for an area on San Jose-Los Gatos Road and Nestor Barrett is expected to report on a possible zone violation by the Mosher-Stiner Realty Co.

Several other zone change request applications have also been submitted to the Commission for action Tuesday.

Whether the Commission can possibly wade through the lengthy agenda and be finished before time to go to work the next day is a good question which was bothering a lot of people this week.

Those who have to wait their turn and the Commissioners themselves.

On The Line in Campbell

Campbell police reserves and regulars will conduct a rifle safety course for youths up to 18 years of age next Monday and Tuesday (November 4-5) at the police station in the City Hall from 7:30 to 9:30 p.m. The classes, which are under hte sanction of the National Rifle Association, will be conducted by Vincent Diehl and are a necessary requirement for the issuance of hunting licenses. It will be the last opportunity this year for the youths to take advantage of the classes.

—o—

Bruce Stevenson, 15065 Nadine Court, San Jose, has been appointed vice-principal of the Monroe School of the Campbell elementary school district. Stevenson, a graduate of San Jose State is married, has two children and has taught in the district for three years.

—o—

Marine Pvt. Thomas A. Lisemby, III, son of Mr. and Mrs. T. A. Lisemby, Jr., 429 Komstheoft, Campbell, is taking part in Operation "Cool Dip", a First Marine Division cold weather landing exercise on Kodiak Island in the Alaskan Gulf, during October.

Campbell High was the setting for the first parent luncheon of the current school year, when a group of freshman mothers had lunch with some of the top school staff and later visited classes in orientation, business, saw the study halls and library. The art classes displayed their work in the Home Economics dining room where the lnucheon took place. This was the first of a series of luncheons to which all parents of freshmen and new students will be invited at both Camden and Campbell highs.

—o—

Shoppers in Campbell get a break this weekend. Today is Double Stamp Day and for three days (Thursday-Friday-Saturday) the new owners of the Golden Rule Department Store, 394 E. Campbell Ave., Mr. and Mrs. Howard Redmond and Mr. and Mrs. Joe Anello, are staging their grand opening sale. The two couples recently purchased the store from Mrs. Zelia Rhea.

—o—

A wrist watch was stolen from the Richard Westergard residence, 150 Hunt Way, Campbell, some time Saturday, the Campbell police report.

Local Districts Seek $4 Million In State Funds

State allocations for school expansion in the Campbell elementary and high school districts totalling almost $4 million are expected to be acted upon by the State Allocation Board on November 13, it was reported this week.

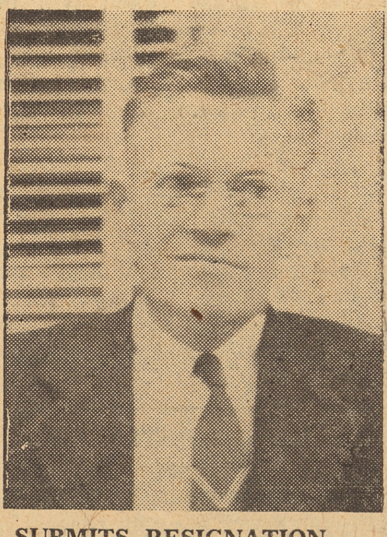
According to Laurance J. Hill, superintendent of the high school district, the state has been asked to approve $2½ million for the new high school to be located just off San Jose-Los Gatos Road north of Hamilton Ave.

Superintendent William C. Henley said that five requests for allocations have been made by the elementary school district for a total of $1,200,000.

The money, he said, is to be used for the building of a new school (Lynhaven); the purchase of two more school sites (one in the south east and the other in south west portions of the district); and for additions at the Cypress and Blackford schools to allow for seventh and eighth grades at each school.

HEADS SARATOGA CLUB

Bob Magnusen is the new president of the Saratoga Kiwanis Club. Other officers include, Al Moisenco, vice-president; Dick Craig, secretary and Morris Rose, treasurer. The new officers take over on January 2.



SUBMITS RESIGNATION . . Edward A. Merrill, chairman of the Campbell Union Elementary District, has submit- to the county superintendent ted his resignation as trustee of schools. His resignation will be effective today (October 31). The superintendent has not indicated who will be appointed in Merrill's place. Merrill, who resides at 27 N. Milton Ave., Campbell, is a San Jose area trust officer for the American Trust Co. He has been a member of the school board for eight years and has served as chairman three times. His increasing work load plus the fact that he felt someone could serve the district better who could devote more time to the job as trustee were the reasons cited for the resignation.

ANOTHER ENTRY IN THE JUDGE RACE . . . Richard W. (Dusty) Rhodes, Saratoga attorney and civic leader, announced Wednesday that he will be a candidate for Judge of the Los Gatos-Saratoga-Campbell Judicial District. The election will be held in June. Rhodes, 34, was born in San Francisco and is a partner in the law firm of Moerdyke, Anderson, Evans and Rhodes. He is a past president of the Saratoga Chamber of Commerce and Rotary Club. He is a graduate of UCLA in business administration and from Stanford Law School. He served in the Army in World War II, ranging from private to first lieutenant. Rhodes, with his wife, Jean, resides in Saratoga.

Bank Picks Local High School Boy For TV Program

John A. Kriewall, outstanding senior at Campbell High School, will be the student guest on next Monday's "Science in Action" TV show according to Joaquin J. Payne, manager of the local office of American Trust Company, and Samuel P. Reed, principal of the high school.

Sponsored by American Trust and produced by the California Academy of Sciences, "Science in Action" is viewed each Monday at 7:00 P.M. on Channel Four. During its eight years on the air, the TV series has won 53 major awards and commendations.

John, son of Mr. and Mrs. August G. Kriewall, of 3184 → Oriole Drive, San Jose, was chosen primarily because of his deep interest and demonstrated ability in science.

This year he is serving as a lab assistant to Chemistry Instructor James Crawford.

The tow-headed, six-foot-two youngster plays varsity baseball and basketball and holds the post of president of the Hi-Y Council, president of the El Oso Hi-Y, and member of the student council. He is a member and former vice president of the California Scholastic Federation and last summer represented his school at Boys' State

Burglars Crack Safe at Popular Local Restaurant

"Done by a professional or at least by someone who knew what he was doing", was the way the police described the burglary at The Virginian restaurant that took place between closing time on Monday and Wednesday morning.

The safe located in the back office of the restaurant was broken into by punching out the combination with a chisel or screwdriver. According to Bill Harrison, owner of the popular eating place, approximately $100 was taken that was in a sack and was to be used for change. The restaurant is closed on Tuesdays.

Both Harrison and Sgt. John Morgan of the Campbell police think the safe-cracking job must have taken place some time Tuesday night because the cleaning woman who comes on Tuesday would have been certain to have seen the wide-open safe and the tools on the floor.

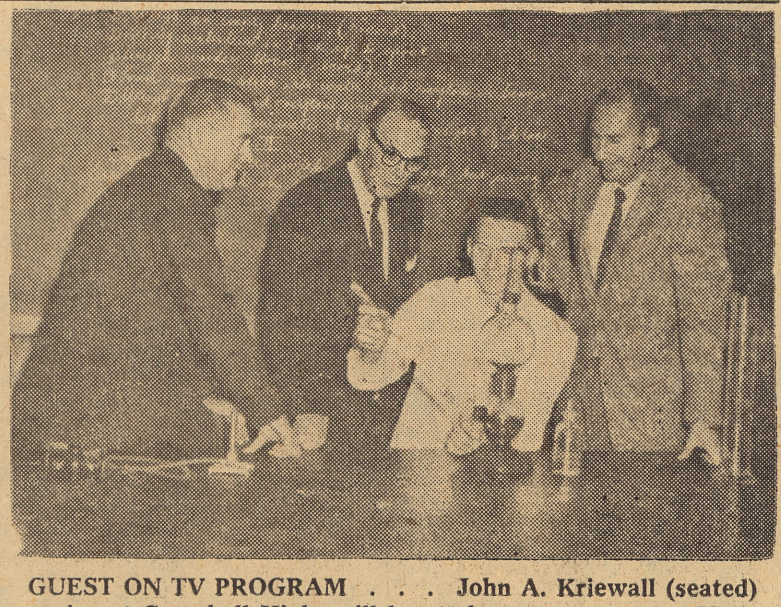
The burglary was first noticed by Ruby Santamaria, 385 Crest View, Santa Clara, the restaurant's baker. She noticed the open safe when she came on duty at 6 a.m. Chef Gilbert Nevarez notified the Campbell police immediately.

According to Sgt. Morgan, the burglars apparently entered the restaurant by forcing open a kitchen window. Ironically the tools that were used to open the safe belonged to Harrison and were in the office. A hammer was broken in the successful opening.

Although at press time, the police had as yet found no satisfactory leads, Morgan said that San Jose police had reported that several burglaries in that city had been committed in the same manner.

1992 ENROLLED

The Campbell Adult Education program has 1992 adults now registered in 75 courses, E. R. Stanley, director, reports.



GUEST ON TV PROGRAM . . . John A. Kriewall (seated) senior at Campbell High, will be student guest on next Monday's "Science in Action" TV show sponsored by American Trust. Giving him moral support are from left to right, Samuel P. Reed, Campbell High principal; Joaquin J. Payne, American Trust manager, and James Crawford, science instructor.

Pigskin Perils

It was rough going again for the Press pigskin panel last weekend and none of the members fared too well. Marvin Moore, our 10-year old sports columnist, led the pack with six winners out of 10, but is still tied for low for the season.

Benny Lujan, high school student body president and star on the "B" football team (incidentally Benny banged up his right wrist in the game last Friday) still holds first spot with 40 right and 19 wrong for the season, although he only picked four winners last weekend.

Mrs. Elayne Carey is in second place with 39-20; Pete Lico in third (37-22); Sam Reed, high school principal, in fourth with 36-23 while Bill Means and Marvin Moore bring up the rear with 35-24 each.

Merchants Need $1500 For Yule Decorations

A drive to raise $1500 for Christmas decorations from the Campbell merchants will get under way immediately, Mrs. Emily McConnell, chairman of the merchants committee, reported this week.

It was decided at the meeting of the merchants group Monday that a budget of $1500 was needed in order to decorate the business streets of town. It is planned, if enough money is raised, to extend the decorations north from Winchester Road to Hamilton and south to Sunny Oaks. Campbell Ave. will be decorated as in the past.

Mrs. McConnell estimates that if each merchant will contribute from $10 to $25 per establishment there will be no trouble in raising the money. She said that block chairmen will be appointed to contact business houses in each block.

LICENSES AT SCHOOL

Campbell police officers will be at the Cherry Lane School next Monday and Tuesday from 2:30 to 4 p.m. to issue bike licenses, Sgt. John Morgan has announced. Licenses cost one dollar each if the new owner has had the bike less than 10 days. Otherwise it will be $1.50. The licenses are good until the ownership changes.

Long Idle Man-Made Waste Land Shows Possibilities as Recreational Center

Whether it would be possible to develop the long unused gravel pit at the edge of the southern city limits into a recreational area for the community was being explored this week unofficially by City of Campbell officials.

Spearheading the "exploration" was Councilman Charles Rose who vigorously maintains that the gravel pit, idle for at least 25 years, can be transformed into an attractive recreational area with ample room for picnic tables, barebcue pits, ball fields, tennis courts, swimming pool and even a nine-hole golf course.

Rose envisions a community recreational center where there will be activities for every member of the family. It borders on the property where the West Valley American Legion has placed a clubhouse.

"Campbell needs such a spot," the councilman emphasizes, "for outside of the school grounds there is no such area available in this immediate vicinity now. It would to a large extent even replace Santa Cruz or other recreational areas in the county as a place where the entire family can go for an outing."

Rose estimates that the gravel pit and environs comprises more than 20 acres. The ownership of the acreage is still a trifle obscure but the councilman hopes to ascertain soon how much land there is and whether it could be made available for city use.

Can Be Developed

Those who have examined the site feel that with proper landscaping, terracing and with judicious grading the entire area could be developed into a virtual "garden spot" playground.

They point to other similar ventures in which abandoned gravel pits have been converted. One such project, they point out, is the newly opened Sunken Gardens, a nine-hole golf course in Sunnyvale.

Thus far the City of Campbell has not officially entered the picture in any way but Rose has been given a quasi-official status in his quest to discover if the land could be made available to the city.

Better Than Small Parks

Rose has long advocated the development of a recreational area for the city. He holds that one large park is better than two or more small parks and he speaks with some authority as to the possibilities of the old gravel pit.

Rose was born in the Campbell area and recalls that during his youth the area he now wants to see developed as a park was a bustling gravel pit operation. But he admits it has been an eye-sore since the last load of gravel was hauled away some 25 years ago.

He has a soft-spot for the area.

"Heck" he says, "the rock crusher hole where they were digging out the gravel was the 'ole swimmin' hole' for the kids of the town. I even learned to swim in it."

It grieves him to see the land lie idle. But he realizes that a recreational area is virtually the only development that could take place there. He feels that any attempt to fill the ravines and make building sites there would be too expensive to be practical.

Campbell Building Permits Continue Record-Making Pace in September

Permits for construction of 41 dwellings swelled to $653,658 the total for building permits issued in Campbell for Sepember, according to W. L. Morser, City building inspector.

The total was double the figure for August of this year and seven times the $93,189 total for September, 1956.

Of the 54 permits issued in September, the largest went to Sany Novak for construction of a $60,570 10-unit apartment at 270 N. Dunster Drive.

One retail store building permit for $38,000 was issued to the Campbell Building and Investment Co. for a store to be built on the site of the old Campbell Hardware store on Campbell Avenue near Central.

Dura Style Homes received 19 dwelling construction permits for six homes to be built on N. Conventry drive and 13 to be built on Branbury drive. All permits were for $10,000 class homes.

Trojan Construction Co. received permits for construction of 15 $11,000 class homes on Palo Santo and Villarita drives.

Sanitation District No. 4 was issued a permit for construction of an $11,000 warehouse on Sunny Oaks Avenue extension.

Other permits issued included one to the Sondeno Construction Co. for a $38,889 six-unit apartment on Sunberry drive and another to A. N. Neufeld for a $20,700 three-unit apartment on Dunster drive.

Permits for single dwellings, all to be built on N. Monica lane, were issued to Alfred F. Davis, $15,750; I. D. Wiens, $14,328; Blossom Builders, $14,625; Don Baughman, $13,572; and Leonard Pauls, $14,049.

Other dwelling permits issued went to Dick and Rhodes, E. McBain Avenue, for two houses at $13,365 and $15,930.

Other permits were issued to the E.P.E. Co., S. Railway Ave., storage and workshop, $15,200; O'Neil and Ellis Lumber Co., at 640 E. Hamilton Ave., sign, $495; Helen's Juvenile Shop, 234 E. Campbell Ave., sign, $350; R. Golden, 610 Maple Ave., additional carport, $517; Albert and Henry Frank, 284 N. Winchester Rd., sign, $450; Glen DuBois, 1101 E. McBain Ave., tool shed, $180; F. Boomer, 69 N. Milton Ave., addition to garage, $252; and Waler A. Howard, 69 N. Milton Ave., patio roof, $308.

ACT ON SOCIAL SECURITY

All 21 of the city employees have requested the City Council to take the necessary action to place them under Social Security, it was reported this week. The Council is expected to act on the matter at next Monday's meeting, November 4. A light agenda, however, appears in store for the City Fathers. The regular meeting convenes at 8 p.m. in the City Hall.

LEGAL NOTICE

RESOLUTION OF INTENTION TO DEDICATE A PARCEL OF LAND FOR PUBLIC STREET PURPOSES TO COUNTY OF SANTA CLARA

Pursuant to Sections 18671 through 18675 of the Education Code of the State of California.

WHEREAS, the Moreland School District of Santa Clara County, State of California, hereinafter called "District", is the owner of the following described real property situated in said district and in said County, to-wit:

Beginning at the point of intersection of the Westerly line of the San Tomas Aquino Road, 40 feet wide, with the Southerly line of Bucknall Road, 40 feet wide, as said Bucknall Road is established by Deed to the County of Santa Clara, dated August 10, 1925 and recorded September 15, 1925, in Book 179 of Official Records, page 593, Santa Clara County Records; thence along the said Westerly line of San Tomas Aquino Road, South 0° 25' West 601.45 feet, more or less to a post in fence OF at the true point of intersection of said line of San Tomas Aquino Road with the Northerly line of Rincon Avenue 40 feet wide; thence along said Northerly line of Rincon Avenue, South 88° 56' 30" West 25.01 feet to a point which is distant Westerly 25 feet, measured at right angles from the Southerly prolongation of said Westerly line of San Tomas Aquino Road; thence parallel with said Westerly line of San Tomas Aquino Road, North 0° 25' East 570.73 feet to the point of beginning of a tangent curve to the left; thence along said curve to the left of radius 20 feet, through a central angle of 91° 43' an arc length of 32.02 feet to a point which is distant Southerly 10 feet, measured at right angles, from the said Southerly line of Bucknall Road; thence parallel with said Southerly line of Bucknall Road, South 88° 42' West 95.70 feet to the point of beginning of a tangent curve to the left; thence along said tangent curve to the left of Radius 15.00 feet, through a central angle of 80° 00' an arc length of 20.94 feet; thence tangent to the last named curve, South 8° 42' West 13.82 feet to a point which is distant Southerly 36.00 feet, measured at right angles, from the said Southerly line of Bucknall Road, thence parallel with said Southerly line of Bucknall Road, South 88° 42' West 176.43 feet; thence North 79° 40' 22" West 27.32 feet to a point which is distant Southerly 30.50 feet, measured at right angles, from the said Southerly line of Bucknall Road; thence parallel with said Southerly line of Bucknall Road, South 88° 42' West 155.50 feet; thence North 31° 18' West 17.90 feet to the point of beginning of a tangent curve to the left; thence along said curve to the left of Radius 10.00 feet, through a central angle of 60° 00' an arc length of 10.47 feet to a point which is distant Southerly, 10 feet, measured at right angles, from the said Southerly line of Bucknall Road; thence parallel with said Southerly line of Bucknall Road, South 88° 42' West 196.28 feet to a point on the Easterly line of the 15.248 acre tract of land described in the Deed from Laura A. Fellows to John V. Sciortino et ux dated March 6, 1943 and recorded March 12, 1943 in Book 1131 of Official Records, page 442, Santa Clara County Records; thence along said Easterly line of the 15.248 acre tract of land, North 4° 11' West 10.01 feet to the said Southerly line of Bucknall Road; thence along said Southerly line of Bucknall Road, North 88° 42' East 731.88 feet, more or less to the point of beginning and being a portion of the Quito Rancho.

WHEREAS, it is to the best interest and advantage of said District that a certain street be located, constructed and established by the County of Santa Clara, the proposed route of which lies over, upon, through and across the hereinabove described real property; and

WHEREAS, it is necessary for said District to dedicate said property to County of Santa Clara for said public street purposes,

NOW, THEREFORE, BE IT RESOLVED that this Board intends and hereby declares its intention to dedicate and grant to County of Santa Clara all the real property hereinabove described for public street purposes and that this Board on the 12th day of November, 1957, in its meeting room located in Saratoga, California, which said room constitutes the regular place of meeting of said Board and public meeting, at the hour of 7:30 o'clock P.M. will hold a public hearing upon the question of dedicating said real property to County of Santa Clara for public street purposes;

AND BE IT FURTHER RESOLVED that no vote of the electors of said School District shall first be taken before such dedication is made;

AND BE IT FURTHER RESOLVED that said real property will be dedicated to County of Santa Clara upon the following terms and conditions, to-wit:

None

AND BE IT FURTHER RESOLVED that at said time and place such public hearing shall be held and at said time and place or at any other meeting of this Board held within sixty (60) days thereafter, this Board will adopt a resolution by a two-thirds vote of all its members authorizing and directing the Clerk of this Board to execute a Deed of Dedication of said property and to deliver the same to County of Santa Clara.

PROVIDED, HOWEVER, that if a petition protesting the proposed dedication, signed by at least ten percent (10%) of the qualified electors of the District, as shown by the affidavit of one of the petitioners, be filed with this Board at the meeting held at the time and place hereinabove fixed, this Board before taking any further action on the proposed dedication, will submit the question of whether the proposed dedication should be made to the Superintendent of Schools of the County of Santa Clara, whose decision shall be final.

IT IS HERBY FURTHER RESOLVED AND ORDERED that notice of the adoption of this Resolution by this Board shall be given by posting this resolution in three (3) public places in said Moreland School District not less than ten (10) days before the date of said meeting and further that this notice shall be published once not less than five (5) days before the date of said meeting in the Campbell Press, a newspaper of general circulation published in said Moreland School District.

PASSED AND ADOPTED by the Board of Trustees of Moreland School District of Santa Clara County, State of California, this 8th day of October, 1957, by the following vote:

AYES: Trustees,
Robert W. Brydon, President
Sam E. Manfre, Clerk
Marian W. Dearborn
Eugene J. Riordan
NOES: Trustees, NONE
ABSENT: Trustees,
Robert W. Taylor

United Givers Here Reach Half Mark in Quota

Hampered by illness, like the rest of the county, Campbell has extended its United Givers campaign two weeks, Merv Willoughby, chairman, announced this week.

Despite a big upsurge in activity after a week of virtual inactivity enforced by flu, Campbell's $8,500 goal has not been reached.

Compared with the previously reported total of $4,043, Campbell to date has collected 04,738.87, slightly more than half its quota.

Tuesday, Willoughby congratulated volunteer workers for stepping up the campaign at a report meeting in the Sainte Claire Hotel and said, "If we keep up the good work, we should go over the top in the remaining two weeks."

Mrs. E. T. Litynsky, residential chairman, reports collections by her doorbell ringers last week rose from $419.62 to $832.02.

Donations in commerce and industry and small business, headed respectively by Jack Payne and Homer H. Hyde, went from $341 to $600.

Mrs. E. C. Andres, Jr., chairman of the schools' campaign, noted an increase from $2,967.07 to $2,986.85. Funds from professional people went from $315 to $320.

Wilfred H. Steele, chairman of the Central Santa Clara County drive, announced that $453,644 or 61.35 percent of the $739,427 goal has been collected so far.

Extending the camaign two weeks, he set the next workers' meeting for November 7 at noon in the Sainte Claire Hotel. All volunteers are invited to attend.

Cub Pack Holds Court of Awards

Cub Scout Pack 41 held a Court of Awards October 21 at Steindorf School and presented the boys with all honors earned during the summer months.

Cubs receiving awards and advancement in rank were:

Den 3, Bob Gonzalez, 3-year gold arrow; Jimmy Proctor, Lion, gold arrow; Steve Vierra, silver arrow.

Den 2, Lion, three silver arrows; Bob Masuda, silver arrow; Michael Ilse, denner and two silver arrows; Craig Fusaro, silver arrow.

Den 3, Bob Gonzelez, 3-year pin; John Bircheff, 3-year pin; Perry Churchill, 2-year pin; John Winterhalder, denner; David Carney, assistant denner.

Den 4, Don Smith, Wolf, gold and silver arrow; Jay O'Brien, Lion, gold arrow; Ronnie Kann, Lion; Steve Hardeman, 1-year pin, two silver arrows.

Den 5, Johnny Dossetti, 1-year pin, silver arrow; Scotty Nice, gold arrow; Barry Hoff, Wolf, gold and silver arrow; Alfred Walker, gold and silver arrow, Robert Mercurio, gold and silver arrow.

Entertainment was furnished by Dens 3 and 4 who acted out Halloween stories and Den 5 who was in charge of a balloon-popping contest. A highlight of the evening was a "white elephant" auction to raise funds for the Pack.

Homer Hyde Presides at Water Confab Session

Homer Hyde, secretary and general manager of the Campbell Water Co., will preside at the "Water Supply and Distribution Division" tomorrow morning at the annual conference of the California section, American Water Works Association.

More than 1200 members and guests are attending the four-day meeting in San Jose. Headquarters are at Hotel Sainte Claire with meetings and exhibits in the Civic Auditorium.

Campbell Among Seven Valley Cities With Tax Hikes

Campbell residents should not feel too badly about tax hikes this year. They are not alone.

Seven other cities in the county also raised their tax rates for the 1957-58 fiscal year while seven cities lowered their rates.

Highest tax increase in the county came in Mountain View. Residents there will pay nearly 82 cents more per $100 assessed valuation. Sunnyvale ran a close second with a 75 cent increase.

Campbell's increase of 57 cents over last year's rate was fourth highest of those eight cities with increases.

Most of the tax hikes were due to increases in school taxes for increased operating costs and additional school construction and not to increases in city and county rates.

Six of the eight cities actually reduced their city taxes. County taxes were shaved one cent.

Of the cities with decreases in tax, Santa Clara led with a cut of approximately 29 cents or a saving of $10 to the owner of a modest home.

Rites Today for Campbell Woman

Services will be held today at 2:30 p.m. at Campbell Memorial Chapel for Mrs. Jarda Garrett, 80, who passed away October 27 in a Morgan Hill rest home after a lengthy illness. Interment will be in Los Gatos Cemetery.

A native of California, Mrs. Garrett lived at 58 N. First Street for two and a half years before her illness. She was a member of the Seventh-day Adventist Church.

She leaves two sons, Wallace and Elbert Taylor, both of San Jose; two sisters, Mrs. Elma Scott and Mrs. Jennie Stewart, both of Washington; and two grandchildren.

C. of C. Sets May 16-17-18 For 66th 'Old Settlers'

The 66th annual "Old Settlers Day" celebration will be held on May 16-17-18 next year the Campbell Chamber of Commerce directors ruled last Thursday night. Whether the C. of C. will continue to sponsor the traditional event was not definitely decided.

Norm Corvello, chairman of the social committee of the Chamber, announced that the C. of C. is planning a Pre-Thanksgiving dance and entertainment for Saturday, November 23. The affair will be for members and their guests and the location has not yet been decided upon.

The directors also last Thursday accepted the resignation of George Vierhus from the board of directors.

Children's Home Auxiliary Plans Fall Tea Sale

Handmade articles and Christmas gifts will be on sale at the "Happiness Shoppe" to be held in conjunction with the San Jose auxiliary to the Children's Home Society Fall Tea on Saturday, November 16. The Sale and tea will be held in McNaught Hall of St. Francis Episcopal Church, San Jose, from 1 to 5 p.m. There will be no admission charge and the public is invited to attend.

Guests brousing through "Happiness Shoppee" will find a wide variety of handmade articles, Christmas wrappings, decorations and useful household items that may be purchased. The shop was named by auxiliary members from the society's slogan "Happiness is in Your Hands."

The Children's Home Society, a statewide adoption agency is licensed by the State of California, devotes its services exclusively to the placement of children and promotion of sound adoption.

School Seeks Children's Books

Al Vatuone, principal of Farnham School, reports a two-week book contest to stock the school's library is now under way between classes. The class bringing the most books suitable for children at the elementary level will be given a party.

The school furnishes reference books, Vatuone said, but there is still a need for fiction stories. Anyone having children's books they are willing to donate is asked to call the school, FR 8-0074, for further information.

Services Saturday For George Tucker

Funeral services will be held Saturday, November 2, at 10:30 a.m. in Campbell Memorial Chapel for George H. Tucker, 35, a rancher, who passed away Tuesday in a San Jose Hospital. Interment will be Monday in Golden Gate National Cemetery, San Bruno.

He was the husband of Lorene Tucker, 14744 San Jose-Los Gatos Road; and father of Katherine, Wanda and Carolyn. Besides his family he leaves his parents, Mr. and Mrs. Leroy Tucker of Alabama; three brothers, Louie, Lynn and Jessie Tucker of Los Gatos; and a sister, Mrs. Hershey Tedder of Los Angeles.

Kiwanis Members To Flip Flapjacks

The Kiwanis Club invites the public to drop in at the Hamilton School Sunday, November 17, for an "Aunt Jemima" pancake breakfast which will be made and served by members of the club. The breakfast hours from 9 a.m. to 3 p.m. are designed to take care of late risers.

The club will meet Tuesday at 12:10 in the Library Building. Guest speaker will be Bruce Allen, assemblyman from the 29th district, who will discuss "Santa Clara County Water Problems.

Joe Gomes will be chairman for the day.

BANK BUYS BONDS

An investment group headed by American Trust Company on Monday was named successful bidder for the $1,395,000.00 bond issue of Santa Clara County's East Side Union High School District. The bank-headed group paid par value plus a premium of $460 for the issue. Average net interest cost to the school district will be approximately 4.017 per cent (4.01668-431).

Rotarians Learn About Work of Junior Achievers

Rotarians Monday learned about the work of high school students in the nation-wide Junior Achievement "learn by doing" program from Carl Andersen who, before his retirement in 1955, headed the construction of the General Electric plant in San Jose.

Andersen said some 3200 high school students in the county are now participating in the program which is sponsored by local industries.

He described the program in which students decide on an item to manufacture and set up a business, financing it by sale of stock. Each company has three advisors, officials from firms in a similar line of business who help guide the fledgling firm. Students carry out every detail of business from procurement of materials and manufacture to sale and delivery of the finished product. At the end of the school year the company is liquidated and stockholders receive their profit.

Also participating in the program was Terry Garrison, Campbell High students, whose Junior Achievement company last year won third place in national competition.

Lions Sponsor Speakers Contest

Alf Alfson, chairman of the Lions' annual student speakers contest, announced this week that information on the contest is being sent to Campbell and Camden High Schools and that it would be held the early part of 1958, the exact date to be announced later.

Contestants will be chosen from speech classes by teachers and three selected for competition. Winner of the local contest will be entered in the tzone speakers' contest. Final district competition will be judged at the Lions' annual conference at Holberg's Resort next spring and the winner presented with a $1500 scholarship.

Joe Schnitker reported the Lion's "Bag of Bulbs" sale is not doing as well as was expected and will continue until all light bulbs are sold, even if it takes all winter. Proceeds from the sales are used to purchase glasses for needy persons.

Contributions to the Santa Clara County Recreation for the Blind in memory of Hal Shumway are being accepted by Hall Haynes, 17891 Los Alamos Drive, Saratoga.

ADULT CLASS OPENINGS

Five to eight registrations in bookkeeping, industrial drafting, and math for industry can still be accepted at the Campbell Center of the Campbell Adult Education program. There are openings also in the art workshop and metal shop at the Camden Center. Those interested can contact Edward J. Stanley, director, at FR 8-0079.

DIES IN HOSPITAL

Darwin Powell, 60, 264 Dillon Ave., who was rushed to the county hospital Saturday night by Campbell police officer Don Burr, died there Sunday from a liver ailment, it has been reported.

FAMED ORGANIST . . . Richard Leibert, well-known organist at Radio City Music Hall in New York, will give a concert at San Jose Civic Auditorium, this Saturday (November 2) at 8:30 p.m. The program for his only northern California appearance will include music by George Gershwin, David Rose, Jerome Kern, Richard Rodgers, Cole Porter, Kreisler, Bach, selections from Puccini's "Madam Butterfly" and others.

George Robsons At Home After Honeymoon Trip

Now at home in Campbell af[illegible]r a honeymoon trip to Southern California are Mr. and Mrs. George Robson of 580 E. Campbell Ave. The bride is the former Mrs. Ethel M. Jones of San Jose.

The couple was married last Saturday, October 19 at Trinity Episcopal Church in San Jose. Dr. Mark Rifenbark, rector emeritus, performed the [illegible]eremony assisted by the Rev. William Murdock.

Attending the couple were Mrs. Anthony, matron of honor Mrs. Anthony M. Hillner, matron of honor for her mother, and Anthony M. Hillner who gave the bride in marriage. Dr. Phillip Robson served his father as best man.

Following the ceremony, a re[illegible]eption for Campbell and San Jose friends was held in the parish house.

Out-of-town guests present were: Mrs. George Stray of Chino; Dr. and Mrs. Bernard Robson of San Francisco, Dr. and Mrs. Phillip Robson of Atherton, Mr. and Mrs. Frank Thill and son Jim of Sacramen[illegible]o, and Mr. and Mrs. Robert Wold and children of Palo Alto.

'Jaywalkers' Hold Halloween Party

There were some fantastic costumes in evidence when "The [illegible]aywalkers", a square dance group of Cambrian Park held their Hallowe'en party last Saturday at Cambrian Farnham School.

Prize for the best dressed single person went to young fellow wearing war paint, bells, and feathers; best costumed woman was Mrs. Mildred Cook wearing a harem outfit and veil. Dressed as Raggedy Ann and Andy, Jan and Van Ludwig won a prize for the best dressed couple.

Eighteen squares were present to dance to the calls of Lou Hughs and Cliff Tranberg and consumed quantities of cider and doughnuts.

Masonic Breakfast To Fete Ladies

Campbell Masonic Sojourners will observe "Ladies Day" Sunday, November 3, at an 8:30 a. m. breakfast to be held at the Campbell Grammar School Cafetorium on N. Third Street. The program will feature special entertainment for the ladies.

Fun Reigns at A.I.B. Costume Ball And Talent Show

A wide variety of gay costumes held the limelight when the American Institute of Banking held its annaul Costume Ball and Talent Show last Saturday evening in the Hawaiian Gardens' King Do Do Room.

Erleene and Oliver Cordeniz, First Western Bank and Trust Company of Irvington, were awarded a prize as the best dressed couple. They went as "Sput" and "Nic", a couple of space satellites complete with antennas.

Paul McDonald, Bank of America in Santa Clara, received a prize for his pirate costume as the best single; and Maurice Trembath, a guest, was judged the funniest with his convict suit.

Banquet tables carried out the fall theme with huge bouquets of chrysanthemums and leaves with glittered fall leaves as nut cups. Balloons on the backdrop at the head table spelled out A. I. B.

After dinner members of the A. I. B. entertained with a talent show. Judy Bohnett, Bea Rodriguez, Nancy Ash, and Carol Brown, all of the Campbell American Trust Company, put on a skit involving two old men and two girls; Ruth Bates, also Campbell, recited a poem and did a dance with a broom.

Other entertainers were Kay Harvey, American Trust Company, San Jose, who came in "black face" and did a pantomime of Al Jolson; and Tony Bonacorsa, of the Bank of America Hester branch, who gave a monologue.

General chairman of the affair was Mrs. Ruth Bates of the American Trust Company, Campbell.

Campbell Girls Star in Bay Area Ballet Concerts

Two local girls making good in the entertainment world are Elayne Rose and Carol Dampier, both of whom have had starring roles in recent ballet concerts in San Francisco.

Earlier this month, Elayne and Carol appeared in the first of nine concerts to be given this season by The Bay Area Ballet Company at the Marines' Memorial Theatre, San Francisco. Both danced leading roles in the concert's offering of "The Secret Garden," Elayne as "The Bird" and Carol as "Mary".

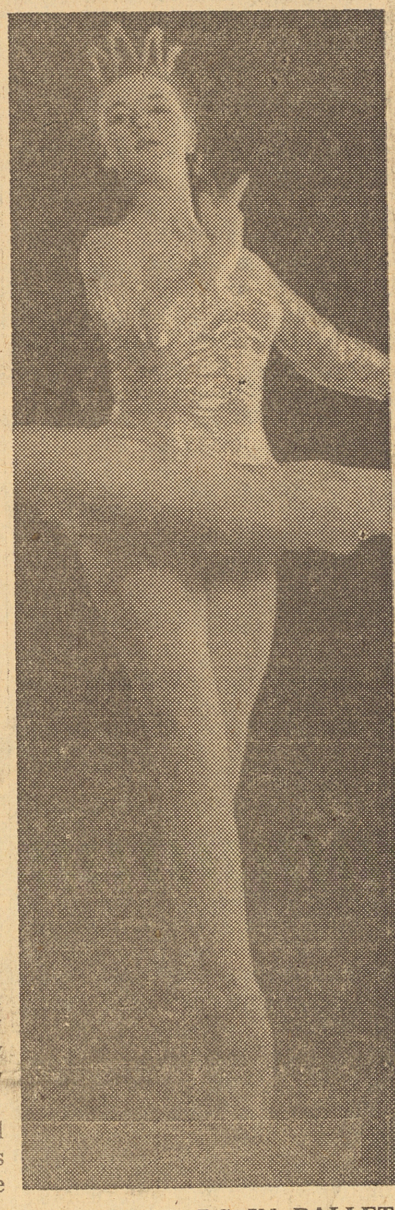
The careers of the two girls who have been friends for many years, runs parallel. Both began studying ballet at the School of Ballet in San Jose at the age of ten, continuing their studies at the San Francisco Academy of Ballet during their high school years.

After graduation from Campbell High in 1956, they intensified their studies at the San Francisco academy. Both now plan additional study in New York in the future, possibly within two years.

Last spring Elayne and Carol danced in "Camiles Saints Saens Carnival of Animals" at the Young People's Symphony Concert at Berkeley Community Theater.

The girls' next concert will be November 3 when Carol will be ballet soloist in the performance of "Schubert Sonata" and Elayne leading soloist in "Balletomania" and "Rosenkavalier Waltzes". They will also appear in the December concert and do Christmas programs in Modesto and Marin County.

Elayne is the daughter of Councilman and Mrs. Charles Rose, 80 E. Hamilton Ave., and Carol the daughter of Mr. and Mrs. Burton Dampier of Quito Road.



DANCE LEADS IN BALLET CONCERT ... Elayne Rose, above, and Carol Dampier, right, recently danced leading roles in "The Secret Garden," the first ballet concert of the season for the Bay Area Ballet Company at the Marines' Memorial Theatre, San Francisco.

Box-Social Dance Judged a Success

Nancy Jeiy, chairman of Farnham Home and School Club's recent box social and conutry dance, reports that the affair grossed $87.50 and was judged a success.

The Halloween theme was carried out with crepe paper decorations, corn stalks and bales of hay. Drawings included a turkey donated by Mario Saia's meat market.

Gift-Making Class Opens Tuesday

A Christmas workshop, featuring instructions for making inexpensive gifts and decorations, has been added to the Cambrianettes study program which is open to young wives of the area.

Sponsored by the YWCA, classes in conversational Spanish, painting and sketching for beginners, and beginning and advanced sewing, are held each Tuesday from 10 a.m. til noon in the Methodist Church of Cambrian Park, Wyrick Ave. and Gunston Way.

Young women interested in the program can get more information by calling Mrs. Roy Chittick at CY 2-5727.

Campbell Faculty Wives Tour Furniture Store

An unusual aspect and high light of the October 23 meeting of Campbell High Faculty Wives was a conducted tour of Robinson's Furniture Company.

Andrew L. Abrott, co-owner and buyer, talked to the club about the background of various styles of furniture before taking it through the store. He also answered members' questions and discussed numerous decorating problems.

After the tour, the group met at the home of Mrs. Parmaly Martin, hostess for the afternoon and heard Mrs. Ken Wallace, ways and means chairman, discuss plans for a cake sale. The sale will be held at Campbell High School Wednesday, November 13.

Assisting the hostess with refreshments were Mesdames James Runger and Leonard Scroggins.

The next club meeting will be November 20 at the home of Mrs. Wesley Berg, 987 Kentyre Way, Sunnyvale.

Glacier National Park in Montana contains superb Rocky Mountain scenery and numerous glaciers and lakes.

Campbell Students To Appear in Play

Three Campbell students will display their dramatic ability November 14 and 15 in three one-act plays to be presented at 8 p.m. at the University Ave. School by the Los Gatos Recreation Drama Group.

The Campbell thespians are Judy Crough, Karol Schulkin and Charles Schulkin.

All three plays are comedies pertaining to school life and are entitled, "Colossal Stupendous", "Ten Penny Tragedy", and "Boomerang". Mrs. Margaret Holzer of the Los Gatos Recreation Department is the director.

Mothers Discuss Proposed Trip For Girl Scouts

Mothers of Girl Scout Troop 371 met Tuesday night at the home of the leader, Mrs. W. P. Mertsching, and discussed ways and means of raising money for the troops trip to Disneyland next summer. The entire troop of girls is planning on visiting this famed fairyland of Southern California.

At the present time the girls are conducting a paper drive and mothers Tuesday night discussed various types of Christmas decorations which could be made by whole families and offered for sale, the money to be used for the trip. Additional revenue will be received from the sale of Girl Scout calendars which takes place in November.

During the meeting, chairmen were appointed to head current projects. They are: Mesdames Hector Davey, trip chairman; Charles Edgerton, badge chairman; and Charles Runner ,telephone.

Last Saturday the troop toured the Edelweiss Dairy Farm and saw the milking and proceessing of milk. This coming Saturday the girls will hold a Halloween party at the home of Mrs. Mertsching, their leader.

Camp Fire and Blue Bird News

Pam Ellenwood, president of Wa-Da-Ta-Ka Camp Fire Girls, presented Mayor and Mrs. Hisahi Tabuchi of Okayama, Japan, with a welcoming bouquet as they stepped from their plane last Saturday for a visit in San Jose.

The Wa-Ka-Ta-Ka- group and the Hiawatha Blue Birds represented the Campbell district when the couple was greeted by San Jose dignitaries.

—o—

Cherry Lane leaders will be hostesses when the Campbell District Leaders Association meet at the First Congregational Church, Leigh and Hamilton Avenues, next Thursday, November 7.

The meeting will be held from 10 a.m. til noon and child care will be provided.

—o—

The fourth session of the fall basic training course for Campbell will be held at the home of Mrs. Harry Smith, 33 E. Sunnyside, Friday, November 1. Leaders are asked to bring ingredients for a foil stew (meat potato, celery, carrot, onion), a fork and spoon, and hard wood for fire making, if possible.

The featured program will be Coha craft outdoor cooking and foil cooking.

Child care will be provided but a lunch should be brought for the child.

—o—

There will be a Council Fire at the fifth and final session November 5 and leaders certificates will be awarded. Theme of the session will be Indian culture in the Camp Fire program.

—o—

The climax of the third training session Tuesday at the Congregational Church in Campbell was the "good will" visit from Mrs. Hisahi Tabuchi of Japan who was guest of honor at the coffee hour.

Mrs. Leslie Jauncey presented her with a gift of copper wire jewelry and three dolls representing Camp Fire groups; one dressed as a Blue Bird, one as a Camp Fire Girl and one in the ceremonial gown of Camp Fire.

Through an interpreter, Mrs. Francis Hayashi, Mrs. Jauncey explained the Camp Fire program to Mrs. Tabuchi.

Mrs. Clifford Transeth, who visited the Tabuchi home in Japan, told about the sand painting she had seen Mrs. Tabuchi do. Mrs. Tabuchi is considered an artist of great talent and Mrs. Transeth displayed a hand-painted fan and mats that were given to her by her hostess while visiting Japan.

Mrs. Tabuchi's visit to Campbell was in connection with the annual project "Meet the People". On exhibit were many letters from girls in Japan who want pen pals in the United States.

Mr. Robert Frost, of the San Jose Recreation Department, gave an interesting talk on puppets and how to make them, and Mrs. Viken talked about the birthday project to the Camp Fire Girls.

S. C. Philharmonic Slates Concert

The first of four concerts for the season by the Santa Clara Philharmonic Orchestra will be given Friday evening, November 8, at 8:30 in the University of Santa Clara Auditorium. Edward Azhderian, the orchestra's founder and musical director, will conduct. Guest soloist will be Elena Guirola, California-born pianist.

Isaac Stern, world-famed violinist, will apper as guest soloist at the Orchestra's second concert on February 7.

Season tickets are now on sale at the Santa Clara Chamber of Commerce; Sherman Clay, Ferguson and Stevens Music companies, or may be purchased at the box office at the time of performance.

Committee to Install Officers At Dinner Meet

Using "Supersonic Social" as its theme, the dinner committee promises an evening of fun for the annual Installation of the Moreland advisory Committee. This year's installation dinner will be held at Havenly Foods Restaurant, Saturday, November 16 with David Graves as master of ceremonies.

Officers to be installed are Mrs. Frank Mortara, president; Gordon Macdonald, vice-president; Mrs. James Jensen, corresponding secretary; and Mrs. C. O. Shanteau, recording secretary.

Mrs. Gene Riordan, dinner chairman, will be assisted by Mrs. R. W. Heingartener, tickets; Mrs. James Jensen, telephone; Sal Millan, entertainment; Gerald De Mars, treasurer, Newsette, and caricature; Mrs. Robert Brydon, publicity; and Mrs. LeRoy Smith, notices.

Representing the Teachers' Association will be Mr. and Mrs. James Hall, Mrs. Marion Pankoski, Mrs. Michael Palma, and Harold Downer.

Guild Sponsors Organ Recital

The San Jose Chapter of the American Guild of Organists will present C. Thomas Rhoads in a recital of Organ music at the First Methodist Church, Fifth and Santa Clara Streets, Friday, November 1, at 8:30 p.m.

There will be no admission charge but a freewill offering will be taken to help defray expenses.

Rhoads, a 1953 graduate of San Jose State College with a degree in Music and English, was recitalist for the Guild's regional convention in Oklahoma City in 1955 and the Contra Costa Bach Festival in 1956. During the past few years he has given a number of recitals in Missouri, Oklahoma, Arkansas and California. He is also a member of the Guild of Carillonneurs of North America.

Following Friday's recital, there will be a reception for Rhoads at the home of Mr. and Mrs. Leslie T. Frasier, 2449 Newhall Street, San Jose. Guild members and their guests are invited.

Mrs. R. B. Edwards Returns from Kansas

Mrs. R. B. Edwards of 733 E. Campbell has just returned home from a three week trip to Merriam, Kansas, where she visited her neice and nephew, Vernon and Florence Campbell.

While there she attended the annual American Royal Stock Show in Kansas City which is nearby, and says she found the horse show especially ineresting. She also added that Missouri and Kansas is a riot of color this time of year, with all the leaves turned red, gold and purple, and is an unforgettable sight.

Teachers Speak At PTA Meeting

"Education Practices and Procedures" was the subject discussed at the October 15 meeting of San Tomas PTA by Mrs. Helen Peterson and Mrs. Joan Peterson, both teachers in the Campbell school district.

During the evening a short skit on membership subscriptions entitled "Ghosts" was put on by PTA members Bill Evans and Delwyn Hack. Principal Jack Fischer introduced new teachers and Mrs. David Graham Armstrong introduced new board members.

Entertainment was provided by the fifth grade class.

Pundita Circle Hears Book Talk

A book review by Mrs. Fred Nybro on "Whales and Men" at the October 23 meeting of Pundita Circle was well presented and made a most interesting program, according to members. R. B. Robertson is the author.

The literary program was held at the home of Mrs. Hilda Peck, 820 W. Parr Ave. Co-hostesses for the afternoon with Mrs. Peck were Mrs. Nybro and Mrs. Effie McCall.

A travelogue has been scheduled for the Oriole's next meeting date in two weeks.

SCHOOL NEWS

Campbell Grammar PTA

Campbell Grammar School PTA will hold its regular monthly meeting Tuesday, November 5, at 7:30 p.m. in the school auditorium.

The program will consist of a student panel discussion on "Students' Prepared Code of Ethics". After the discussion parents will be divided into eight groups for discussions based on the code of ethics.

—o—

El Quito Park-Bucknall PTA

El Quito Park-Bucknall PTA will contine its current series of parent discussions when it meets at 7:30 p.m. Tuesday, November 5, in the teachers' room of El Quito Park School.

Subjects to be discusssed will be "The Influence of TV on Children's Behavior", "Sex Education in Schools", and "Parents Responsibility for Children's Attitude Toward School and Learning".

At Tuesday night's board meeting, the board and Mrs. Emily Bishop, principal of Bucknall School, decided the time had come for Bucknall to form its own PTA. For this reason, an organizational meeting will be held November 7, the place to be announced at a later date.

—o—

CLUB AND LODGE MEETINGS

Ada Rebekah Lodge

Three members of Ada Rebekah Lodge will be honored and presented with 50 year pins at the next meeting on Tuesday, November 5, at 8 p.m.

The three to be feted are Mesdames Lena Robinson and Emma Bulmore, and Miss Mary Fablinger.

At this same meeting new officers will be nominated and the by-laws acted upon.

The committee in charge of arrangements for the evening will be Mesdames Monte Estabrook, chairman; Anna Bachman, refreshments; and Walter Silberbauer, decorations.

—o—

Republican Women, Federated

The Campbell Republican Women's Club, Federated, will meet at 1:30 p.m. Thursday, November 7, at the home of Mrs. John Nickelson, 145 Flora Ave., off Payne Ave. near Moreland School.

The afternoon's speaker will be C. C. Cottrell, a past legislator and member of the Board of Correction at the present time. His topic will be "Current Republican Responsibilities".

Members are asked to bring an article for the silent auction which will be held during the afternoon.

Co-hostesses with Mrs. Nickelson will be Mesdames Dorothea Glass and Tina Taylor.

—o—

Country Woman's Club

"Arts and Crafts" will be the theme for the next meeting of the Country Woman's Club at 2 p.m. Monday, November 4, at the clubhouse. Mrs. L. M. Dodd, president, will conduct the business session.

The program will consist of a club project. Each member is invited to bring something in the way of arts or crafts of her own making which she thinks will be of interest to the other members.

The chairman hopes each member will participate in this program.

Hostesses for the afternoon are Mesdames Frank A. Jacobson, chairman; Fred Jameson, J. C. Agostinho, W. C. Henry, C. E. Hancock, J. B. Collins, and Florence Cottle.

CHURCH BULLETINS

First Church of Christ, Scientist

The way to overcome sin through spiritual understanding of God, divine Love, will be set forth at Christian Science services Sunday.

Scriptural selections in the lesson-sermon entitled "Everlasting Punishment" will include Christ Jesus' parable (Luke 15) of the prodigal son who "wasted his substance with riotous living".

The public reading room at 309 E. Campbell Ave. is open Monday, Wednesday, Friday and Saturday from 11:30 a.m. to 3:30 p.m.

—o—

Congregational Church

Sunday, November 3, the Rev. Corwin Olds will continue his series of sermons on "Time of Testing". Worship services and church school begin at 10 a.m.

Sunday, November 10, the church will observe Veterans' Day and all veterans' organizations are invited to attend the services.

Among those to be present in uniform will be El Camino Real Chapter of National Sojourners. Rev. Olds, a retired Army brigadier general and chaplain, will have as his sermon topic, "Control Weapons".

An adult Bible class is conducted by Rev. Olds every Sunday evening in the sanctuary of the church from 6:45 to 8 p.m.

—o—

First Methodist Church

"The Perils of the Christian Life" will be the sermon theme for the Rev. Herbert W. Neale next Sunday at the First Methodist Church of Campbell.

Duplicate worship services are held at 9:30 and 11 a.m. Sunday school classes for all ages meet at the same hours.

The MYF will meet at the usual time Sunday evening in the Fireside Room.

Wesley Fellowship meets in the pastor's study at 7 p.m. Rev. Neale will lead the second part of a series on "Thinking About Marriage". Friday, November 1, the Fellowship will hold a Halloween party at 8 p.m. in the Fireside Room.

On that same evening all church school workers will meet for a conference at 7:30 p.m. in Fellowship Hall. Mary Ross, director of Christian Education at the First Methodist Church of Burlingame, will be the speaker.

Tuesday, November 5, a study class sponsored by the Woman's Society of Christian Service will meet in the Fireside Room at 1:30 p.m. Theme of the class is "Christ, the Church and Race" and will be taught by Reverend Neale.

Also November 5, the Inquirers' class meets at 8 p.m. in the pastor's office. This meeting is for all persons interested in church membership.

Wednesday, November 6, the Bible Study class will meet at 8 p.m. in the Fireside Room. All interested people are invited to attend.

Church Women Plan 'World Day'

Campbell church women of all denominations are invited to join with those of Los Gatos and Saratoga churches in observing "World Community Day" at the Saratoga Federated Church, Friday, November 1, from 2 to 3 p.m.

Guest speaker will be Russell Jorgensen of American Friends Service Committee.

The church women assist the American Friends Service, a Quaker society, in the collection of good used clothing, blankets, woolen and denim yardage which is sent to churches all over the world where community need is greatest.

Club Sponsors Spanish Class

Especially designed for the busy housewife, a course in conversational Spanish will be offered at Tuesday morning meetings of the Cambrianettes. The course will begin November 5 with Mrs. Marilyn Gray, a graduate of Stanford University and San Jose State, as instrustor.

All interested young wives are invited to have coffee with Mrs. Roy Chittick of the YMCA, director of the program, at the Cambrian Park Methodist Church, Wyrick and Gunston Way, between 10 a.m. and noon

The new group will be added to painting and sketching class being taught by Miss Grace Walsh of the Los Gatos Art Association, and the sewing class being instructed by Mrs. Ruth Moscrop, a professional dressmaker.

Theta Rho Girls' Installation Has Nautical Theme

Against a nautical background, Joan Geist was installed worthy president of the Theta Rho Girls' Club Wednesday, October 23, in IOOF Hall. The ceremonies were conducted by Sigma Tau Theta Rho of Santa Clara.

Using as their theme, "Ships Ahoy", "Captain" Connie Loveday and her crew decked the hall and banquet room with red white and blue colors, life preservers and other reminders of ships. On each table were small boats filled with sailors manning lollipop oars. At the head table was the "SS Joan".

New officers installed with Miss Geist were: Sherry Barker, vice-president; Ellen Youngren Rogers, junior past president; Diane Wilson, secretary; Sharon Carl, financial secretary; Patty Rhine, treasurer; Jeralee Drew, warden; Connie Loveday, marshal; Carol Ostermeier, conductor; Karon Redlack, right supporter to the president; Bobbie Little, left supporter to the president.

Pat Stephanson and Shirley Mattei, right and left supporters to the vice-president; Donna Connor, chaplain; Marilyn Gilpatrick, musician; Carolyn Hannah, Margaret Farley, Glenda Breshears, Carolee Meckler, heralds; Donna Coffey, inside guardian; Sheryl Daves, outside guardian.

The Campbell Theta Rho Club's installing team recently traveled to Santa Cruz to install officers for Leilani Theta Rho. Those making the trip were:

Janet Meckler, installing officer; Diane Wilson and Pat Stephanson, marshals; Sherry Barker, staff warden; Carol Ostermeier, chaplain; Patty Rhine, Carolee Meckler, Sharon Carl, Shirley Mattei, escorts; and Marilyn Gilpatrick, musician.

Program On Holiday Decor Open to Public

The annual Holiday Decorations Program, sponsored by the Oakland Park Department and garden clubs of the East Bay, will be held in Oakland Municipal Auditorium November 4 through 7.

One of the principal speakers on the program will be Mrs. Lura Smith, teacher of Adult Education at Campbell, Camden and Los Gatos High Schools. Her subject will be "Grandma Goes Modern", in keeping with this year's theme, "Then and Now".

The program is open to the public without charge to provide ideas to make the home more beautiful during the holiday season. Stage presentations will be held from 9:30 a.m. to 3:30 p.m. each day of the series with two evening performances scheduled for November 5 and 6 from 6 to 9:30 p.m.

Featured on the program will be a Christmas tree lane, foyer decorations, holiday table settings, church decorations.

College Wives To Hear Reports On Mediterranean

The focus will be on the Mediterranean when the San Jose State College Faculty Wives meet at the First National Bank Building of Los Gatos next Thursday, November 7, from 10 a.m. till 12 noon.

In keeping with the theme, Mrs. E. P. Panagopoulos will display objects of art from Greece and refreshments of Italian, Egyptian and Greek origin will be served.

Speaking on the status of women in the Mediterranean area will be Mrs. Paul Roberts and Mrs. David Edgell of Campbell, both wives of San Jose State faculty members.

The Paul Roberts family recently returned home after a year in Egypt where Dr. Roberts taught at the University of Cairo, and a year in Italy where he was connected with the State Department. The Edgell family spent two years in Egypt where Dr. Edgell also taught at the University of Cairo.

College Schedules Mosaic Class

Mark Mohler, of the University of California faculty, and an assistant will demonstrate mosaic making in Room 326 of the Science Building at San Jose State College Tuesday, November 5, at 1 p.m.

Materials will be available for persons interested in doing mosaic work at home. All San Jose State College Faculty Wives are urged to attend.

Bucs Bow to Washington, Draw Bye

Washington High quarterback Bob Hidalgo teamed up with end Grady Hudson to score two touchdowns in the second half and hand the hapless Campbell Buccaneers a 14-0 defeat at Washington last week. It was the fourth straight loss for the Bucs.

The Bucs draw a bye this week and meet Los Altos here November 8.

Against Washington, the Bucs got all the breaks in the first half but could not score against a tough Husky defense.

Three Washington fumbles and an intercepted pass gave the Bucs the ball in Washington territory four times early in the game but Campbell could not capitalize on the breaks. Although they moved all the way to the Husky two on two drives the Bucs were held by a big, rough Washington line.

After a scoreless first half, the Husky offense took hold when Hidalgo tossed to Hudson for both Washington touchdowns on pass plays of 55 and five yards to give the Huskies their second win of the season.

Campbell first threatened midway in the first period after tackle Vern Walton recovered a Husky fumble at the Buc 46. Two passes from quarterback Bob Whitewing to full back Ken Buran, good for a total of 46 yards, gave the Bucs a first and goal on the Husky 10, but the Husky defense tightened and Washington took over on downs on their two.

Campbell got another break two plays later when center Tom Farley recovered a Husky fumble at the Washington four. After the Bucs had moved to the two in two plays, the Husky line again tightened and held the Bucs for no gain on two more downs to again take possession of the ball.

Minutes later Farley again recovered a Husky fumble, this time at the Washington 10 but Cole's fumble on the next play gave the Huskies the ball.

Late in the half an interception by Buc left half Leroy States put Campbell on the Washington 25 but the Bucs again failed to move when Hudson recovered a Campbell fumble two plays later.

Washington scored midway in the third quarter when Hudson took a pass from Hidalgo in a play good for 55 yards and a Huskie touchdown. Center Stan Kalino's kick was good to make it 7-0.

Earley in the fourth quarter, Husky halfback Eddie Marin took a Campbell punt at the 50 and returned it to the Buc 34 to open the Huskies' second scoring drive.

After Campbell had driven the Huskies back to the 43, Hidalgo passed to Marin for 38 yards and a first down on the Buc five yard line. Hidalgo tossed to Hudson for the second Huskie score two plays later and Kalino's conversion made it 14-0.

Wage Reports Due

Thursday, October 31, is the deadline for filing California Unemployment Insurance wage reports and contribution returns for the third quarter of 1957, Thomas C. Clark, auditor for the State Department of Employment in San Jose today reminded employers.

Penalty and interest will be charged if the report is filled after the deadline, he said.

Employers needing assistance in preparing their returns may contact Clark at 96 Santa Teresa Street, San Jose, or by telephoning CYpress 4-3434.

The last California grizzly bear to be seen alive was observed in Sequoia National Park in 1924.

'Rough 'em Up' Philosophy Boosts Ex-Buc Gridder

By Art Cook

"I guess you just go in there and rough 'em up."

That's all Stanford tackle Eric Protiva knew about football when he turned out for practice with Coach Jim Muir's Campbell High Bucs one Monday in the fall of 1953.

Now the big tackle is one of Stanford's top linemen who has been booting plenty of Indian kickoffs deep into enemy end zones this season.

Protiva, who is a native of Iran, enrolled at Campbell High on Thursday, saw his first football game on Friday and was out for football the following Monday. He's been playing the game, and playing it well, ever since.

Protiva happened to be attending an American Presbyterian mission school in Iran when George Hunter, now vice principal at Abraham Lincoln High School, went to teach there under a Fullbright scholarship.

Hunter noticed Protiva's natural athletic ability and wondered if he might want to go to the United States. Protiva who had been trying to obtain a student visa to come here, accepted Hunter's offer of help and soon was on his way.

First World Series

Delayed at Ellis Island when he arrived in New York, Eric settled down to watching his first World Series over the television he had heard of in Iran.

When he arrived in California, Eric moved in with Hunter's next door neighbor, Charles T. Mitchell, of 16239 Mozart, Los Gatos. He enrolled at Campbell High as a junior.

Although he quit football after a few weeks to play basketball during his first year there, Protiva had made up his mind that football was the game for him.

Made Buc Squad

In 1954 he once again went out for varsity ball and became the Bucs' second string tackle playing behind Gary Lukehart, whom he may be playing against this November when the Indians meet Oregon State. Lukehart is one of the Beavers' outstanding linemen this year.

After an outstanding performance against Los Gatos in the game that clinched the 1954 SCVAL title for the Bucs, Protiva earned an honorable mention on the ALL-SCVAL team.

In high school, Protiva also excelled in other sports. He copped a second team position on the ALL SCVAL basketball team in 1954 and was named outstanding SCVAL singles tennis player.

In tennis, Protiva also took second place in the San Jose All-Comers matches. He played freshman tennis at Stanford.

In the fall of 1955, he continued his grid activity at Stanford, winning a berth on the frosh squad. A swimming accident kept him out of varsity competition last season.

Stanford Line Star

This year Protiva is one of Stanford's line stalwarts, alternating at tackle with Armand Dawees. He boots all the Indian kickoffs and has been literally kicking them "out of the park" against Stanford opponents. His soccer-educated toe has made it rough on opposing safety men all season.

Protiva plans to stay in the United States after graduation. His younger brother has recently moved here and is now attending Menlo Atherton High.

After switching from medicine, Protiva is now majoring in business administration at Stanford. His father, a horticulturist, is famous in the Middle East for the introduction of several varieties of fruit trees in that region. Protiva's father, mother and a sister still live in Iran.

Speaks Six Languages

Eric, who has been speaking English since he was three, also speaks and writes German, Czechoslovakian, Persian, Russian and French, quite an academic accomplishment to add to his athletic records.

ERIC PROTIVA
... was Campbel star

Although he has not been home since he came here in 1953, he has made many friends in California. He spent two years with the Mitchells, who consider him their "second son." Their own son, Tom, who was graduated from San Jose State, is one of Eric's close friends.

Football has made him friends too and he has learned enough about the game to earn a starting position on one of the strongest teams in the Pacific Coast Conference.

Maybe he was right about football when he said "you just go in there and rough 'em up."

It seems to have worked.

Camden Cougars Edge Jets, 7-6; Take Third Place

Camden High's insurgent Cougars edged Sunnyvale, 7-6, last week to chalk up their second win of the season and move into a tie with Washington for third place in SCVAL standings.

The Cougars face the acid test when they meet the undefeated, league leading Santa Clara Panthers tomorrow at 8 p.m. at Santa Clara.

The one-point victory gave the Cougars a 2-1-1 season record to boost them from fourth to third in the league. James Lick's powerful Comets are in second place with a 3-1-0 season mark.

Against Santa Clara, the Cougars will face the toughest offense and defense in the league. The Panthers rolled over Mountain View, 31-0 last week and have racked up 125 points so far this season while allowing their opponents a total of only 13.

Camden Bees Slip To Third in Loop On Nullified Game

A protest by Camden High Bee Coach Bill Walker against his team's loss to Sunnyvale 25-20, last week was accepted by SCVAL officials and the game will not count in league standings.

Walker's protest came after the game was called because of darkness with eight minutes remaining in the fourth quarter. The contest was played on Camden's field which is not equipped with lights.

The nullified game left Camden with a 2-0-1 season record and dropped the Cougar Bees into third place behind Santa Clara, James Lick and Campbell.

The Cougar Bees meet undefeated, unscored upon Santa Clara, tomorrow at 6 p.m. at Santa Clara in a preliminary to the Camden-Santa Clara varsity contest.

The league leading Panther Bees crushed Mountain View last week, 41-0, and have been taking their example from also undefeated Santa Clara varsity to become the "team to beat" in the SCVAL "B" league.

The Panther offense has racked up a total of 125 points this season while the defense has not allowed a single opponent into the Santa Clara end zone in four games.

Los Gatos Edges JV Gridders, 20-13

A 40 yard touchdown run in the fourth quarter gave the Los Gatos Cat JV's a 20-13 win over Campbell's Buc junior varsity last week.

The Bucs played Sunnyvale yesterday afternoon and meet Los Altos Thursday, Nov. 7, at Sunnyvale.

In the Los Gatos game, the Bucs pulled up to within one point of the Cats in the second quarter but were unable to take the lead.

After the Cats had taken a 14 point lead on two touchdowns and a safety, Buc left half Cal Hogg went 32 yards in the second period for a TD to put the Bucs back in the game. Jeff Davis kicked the conversion to make it 14-7.

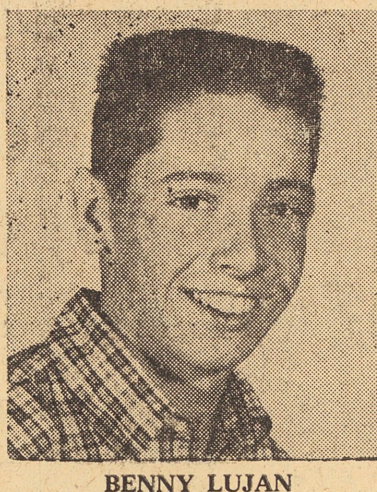
Later in the quarter, right end Bob Schafer stole a Cat handoff on the Los Gatos one and quarterback Herb Rose drove over on the next play to make it 13-7. The Bucs failed to get closer after Davis' conversion attempt failed.

Left tackle Fernau Pillinini and left guard Bruce Brown were line standouts for the Bucs, plugging plenty of holes to stop Cat backs. In the backfield, Hogg and fullback Jess Ledesma did most of the ball carrying for Campbell.

Buc Bees Dump Huskies Climb to Second in Loop

Quarterback Benny Lujan passed for two touchdowns and drove over for another to lead the Campbell High Buc Bees to a 19-7 victory over Washington High last week and give the Bees a tie for second place in SCVAL standings.

The Bees travel to Los Gatos tomorrow at 3 p.m. to play the Cats. Los Gatos stopped Washington earlier this season, 12-13.



BENNY LUJAN
... sparks Bee win

The win over Washington was the third straight for Campbell and moved them into a tie for second place with James Lick. Both teams have won three and lost one this season.

Undefeated Santa Clara leads the league while Camden's Cougars, who were in second place last week, slipped to third when they lost to Sunnyvale, 25-19, last week.

The Bees' win over the Huskies was marred by injuries to Lujan, halfback Craig Yamamoto and Harry Tomisako.

Lujan suffered a sprained wrist and may see only limited action at Los Gatos. Yamamoto is also a question mark with a sprained wrist and Tomisako may be out with a badly bruised mouth.

End Wade Allison, guard Jim Toyoto and center Danny Schwartz were defensive standouts against the Huskies holding them to a total of 160 yards. Allison ably replaced Tomisako in the linebacker slot although he had never practiced the position.

Left half Ron Wilson and right half Marc Bahl picked up a big part of Campbell's 260 yards against Washington with Bahl often coming through for crucial first down yardage. Wilson gained 123 yards for the Bees. He has picked up over 100 yards in all of the last three games.

The Bees threatened early in the first quarter when Lujan passed to right end Bob Straight for 50 yards and a first down on the Washington 25. But the drive was stopped a few plays later when Washington intercepted one of Lujan's tosses.

Wilson Scores

After an exchange of punts, Campbell drew first blood on a pass from Lujan to Wilson good for 60 yards and a Bee touchdown. The Bees failed to convert and led, 6-0, at the end of the quarter.

Three plays after the Huskies received the Bee kickoff, Schwartz grabbed a Washington pass on the Husky 37 to set up another Bee score.

After a drive highlighted by a nine yard sweep by Bahl and a rollout by Lujan good for seven yards and a first down on the Husky nine, Lujan drove over from the six to score, Bahl converted to make it 13-0.

Perry Intercepts

Late in the first half, the Bees began another drive from the Husky 43. After driving all the way to the Washington 19, the Bees lost the ball on downs only to get it right back two plays later when linebacker Richard Perry intercepted a Husky aerial on the Washington 15.

With only seconds remaining in the first half, Lujan dropped back on first down to toss to Straight for 15 yards and the third Bee TD. The half ended with the Bees ahead 19-0.

Washington's only score came in the third quarter when the Huskies returned a Lujan punt to the Campbell 10. Washington scored two plays later on a pass play good for six yards.

LOW DOWN ON SPORTS

By Marvin Moore

NORTH TEXAS WINS

The North Texas Eagles beat the San Jose State Spartans 12-6 in a game that I attended. A crowd of 7500 saw a fight which broke out after the final gun. The fight started because the gun was shot before San Jose State got their play off and the referee stopped the game. Some spectators also got into the fracas which was stopped quickly by the coaches and police.

The Spartans seemed to run the Eagles all over the field, but when it came to points the Eagles came out on top.

Mich State 19—Illinois 14

Seventh rated when they started, Michigan State got by Illinois 19-14. Halfback Blanche Martin made two of the touchdowns and helped on the third.

Oregon Takes Cal.

The Oregon Ducks seemed to be too much for the Bears when they added another win Saturday.

It looks like Oregon is on its way to the Rose Bowl. They will have to get by Stanford next week which isn't going to be easy, but they are going out—determined to win.

Stanford

The Stanford Indians again did what they did before to me—won when I predicted a loss. I thought for sure after U.C.L.A. beat Oregon State that they would take Stanford, especially since it was sort of a grudge-game.

Stanford's defense looked good and they are really showing up better each game but I am still picking Oregon to beat them by one T.D. (I hope!)

Quarterback Jack Douglas was praised by both coaches as an all around player. U.C.L.A. coach, Red Saunders, said he was better than John Brodie, Stanford's All American Ace of last year.

Oklahoma Ekes By

Top rated Oklahoma Sooners almost got beat Saturday by Colorado. Don't know, but by the looks of things they must have had their second string in. Score—14-13. This was Oklahoma's 45th straight victory. I'm wondering—will it be 46?

49'ers Take Lead

The San Francisco 49'ers after a slow start came through to beat the Chicago Bears 21-17. The 49'ers played a brilliant game with their eyes wide open to take advantage of fumbles etc. Our own Billy Wilson of Campbell was at his best especially when he took an 11 yard pass from Tittle on the one yard line and just stepped across for the T.D. Wilson was shoulder to shoulder with defender Vic Zucco, but was so clever at tricking him that he was in the clear when he caught the pass.

Hard Tops

Dave LeRoy, San Jose Speedway driver won the final main event to put the N.A.S.C.A.R. on top in a combined Race with W.A.R. The first eight finishers were from NASCAR which really goes to prove my point why I have been all out for the San Jose Speedway drivers.

There will be another combined race at Alviso next Sunday and I think the NASCAR drivers can do it again at WAR's own track.

Larry Rodriguez, our Campbell driver had just taken over the lead in one of the mains when he hit the wall in a turn and flipped. Larry has had bad luck this entire season but I still say he'll be the man to watch in the coming season.

Summary

Trophy Dash—Dave LeRoy

D Hoopsters Win, Retain Loop Lead; C's Lose to Jets

Campbell High's D cagers this week retained their loop lead by winning both their games while the C hoop squad was dropped from its undefeated ranking by taking its first defeat of the season.

Both teams meet Washington there today and face Los Altos Tuesday at Campbell.

The Ds stopped Sunnyvale, 32-27, and Hill, 26-14, to remain undefeated in SCVAL play this season.

Don Suhama led the Ds in both games, scoring 12 points against Sunnyvale and eight against Hill. Gary Kanemoto was second man against Sunnyvale with six points while Ronnie Speno was second against Hill with seven.

Hornets Spill Vogel, 7-0 Face Redwood for Title

A fourth quarter pass from Campbell fullback Mickey DeVita to end Billy Smith gave the Billy Wilson Hornets a hard fought 7-0 victory over the Les Vogel Power Gliders here Sunday to keep the Hornets in first place in the Pop Warner Conference.

The Hornets meet Redwood City there this Sunday in a game that should decide the conference championship.

Redwood City is the only remaining team in the conference with only one defeat this season and represents the final hurdle for the Hornets. A Hornet win would clinch the conference title but a loss would give Redwood City a tie for first place. Redwood City also topped Vogel, 14-0.

If the Hornets win Sunday, they may meet Livermore here November 17 for the divisional championship. Livermore is also undefeated this year.

The win over the defending Vogel club marked the first time a Santa Clara team had topped the Power Gliders since 1953. Vogel has been conference champion for nine of the past ten years.

DeVita Honored

Randy Sutton was named outstanding back of the day and DeVita was named outstanding lineman for his play at the linebacker spot.

The Hornets now have four players eligible for Pop War- players eligible for Pop Warner All-American. DeVita, Sutton, tackle Jim Nobriega and guard Don Rossi have all been chosen as outstanding back or lineman in two or more games, making them eligible for All-American consideration.

Smith, who scored the winning TD for the Hornets, is eligible for All-Conference honors. He also was a defensive standout against Vogel.

Hornet quarterback Rickey Bell, who acts as blocking back in the Hornet single wing series, contributed to the Hornet win with sharp tackling and vicious offensive blocking.

Leads Blocking

Bell took out two Vogel defenders several times during the game when he led end sweeps and once dropped three Power Gliders in one block to take them out of the play.

Back Joe Cavallero and end Ron Hallquist also turned in fine offensive performances for the Hornets.

Led by hard driving fullback Tim Tierney, the Power Gliders threatened early in the first quarter, driving to the Hornet 10. But three plays later the Hornets had driven them back to the 27 and a batted down pass allowed the Hornets to take over on downs.

In the second quarter, the Hornets drove all the way to the Vogel five, but the Power Gliders rallied to take over on downs.

Hornets Get Break

Late in the fourth quarter, Tierney, who had been averaging 42 yards per kick, got off a bad punt which gave the Hornets the ball at the Vogel 35.

After driving to the Glider four in seven plays, the Hornets sent Smith into the end zone to take DeVita's touchdown pass in a sensational falling catch. DeVita converted with Sutton holding to make it 7-0.

The win was the fifth straight league win and the seventh straight victory for the Hornets this fall. They have scored a total of 138 points this season to their opponents' 18.

Fifth, Sixth Grades High in Accidents, Local Schools Tell

Nine, ten and eleven year olds tend to be more accident prone than other children of grammar school age, according to 1956-57 school accident reports released by the Campbell Union School District.

Of a total of 118 accidents reported at the 11 schools included in the report, 64 involved the nine through eleven year age group.

A much lower number of accidents was reported in the upper age groups. Only 17 accidents involving students in the 12 through 14 year age group were reported. School officials reported that the drop in accident rate for this group was largely due to improved coordination.

Boys also outnumbered girls in accidents, 83-35, the reports showed.

Exactly half of the accidents occurred during unorganized activities while very few accidents were reported in some organized sports usually considered "dangerous."

No accidents were reported in baseball (hardball). In tumbling and wrestling combined there were only five accidents, all of which were sprains. No accidents occurred in trampoline activities.

Most accidents were reported in softball and apparatus sports. Thirteen accidents occurred in each of these sports. Four of the soft ball accidents were the result of the improper use of the softball bat.

Nine accidents were reported in football and six in tetherball.

Cypress Grammar School reported the highest total number of accidents with 18 for an enrollment of 776. Hamilton Grammar School had the highest accident rate, with 17 accidents for an enrollment or 428.

Spartans Edged; Clash with Poly

After losing to a brawling North Texas State squad, 12-6, last week, San Jose State's Spartans head for San Luis Obispo this weekend to face the Cal Poly Mustangs Saturday at 8 p.m.

The tough Texans, who dominated play and controlled the ball during most of last weeks' game, proved rough both during the game and after it.

A five minute brawl erupted at the final gun and players cleared both benches to mix it up on the field. One Texan was hospitalized here for several days

The Campbell Press
A GROWING NEWSPAPER · A GROWING COMMUNITY

EDITORIAL

Turn Gravel Pit into Park

In this issue The Press suggests the possibility of developing the long unused gravel pit at the southern edge of the city limits into a recreational park area.

On the front page a group of pictures depicts the area as it exists today, a miniature grand canyon.

We are convinced, however, that it can be turned into a recreational area by landscaping, terracing and judicial moving of the dirt.

The gravel pit has been unused, we understand for more than 20 years and to convert it into building sites by filling it would be an expensive proposition.

On the other hand, we know of a number of former gravel pits that have been made into parks and even golf courses.

We are not in the real estate business, but it seems to us that it would be obvious that this particular hole in the ground could be obtained at a far less price per acre than orchard land or other property.

We think parks and recreational areas are important to a community.

We realize also that because of the high price of land in this area it would be difficult to obtain more than two or three acres that would be suitable for a park site in any other part of the community.

We don't know as yet just how much land would be available in our own gravel pit, but it appears at first glance that more than 20 acres have lain idle all these years.

We readily admit that it takes a little vision to foresee what can be done to the slopes and to the bottom land.

But vision is not a bad thing to have around at times. We think many of us could use more if it — vision, we mean.

The proposed recreational area would be easily accessible for all of us who live in the community.

There is ample room for picnic tables, barbecue pits, softball fields, tennis courts, swimming pool horse-shoe pits, and other activities in which the entire family can indulge.

Depending upon the area that is available, it is possible that there would be room for a nine-hole golf course also.

And there would be plenty of space for parking.

Entrance would be from E. Parr Ave. and exit from the other side.

The driveways in and out of the place could be built to avoid steepness. Fast-growing shrubs and trees could be planted.

The area borders on the property owned by the West Valley Legion Post where the postt's new clubhouse is located. This, too, to our way of thinking, acts as an advantage as the Legion has made an attractive clubhouse out of the former gun club building.

We feel very strongly that the old gravel pit can be converted into a model recreational area as a benefi for ALL residents of Campbell.

At this time we do not know whether it is available for such development.

We have no idea how expensive it would be to develop it.

And we have no idea whether you people would go for idea in the first place.

We would like to hear how some of you feel about it.

Phone calls, letters or personal calls to either the Press or to City Councilman Charles Rose, who is a firm believer in the prospects for such a development, would mean much in getting it off the ground.

In the past, citizens of the community have not not been noted for their show of enthusiastic interest in any community project.

We sincerely hope this case might be an exception.

How Come It's Different Here ?

We were interested recently to read that a Los Gatos auto dealer has applied for commercial zoning for the old Cupertino School baseball field as a site for a new car agency. His Los Gatos business would continue unchanged.

We read further that the firm hoped to open "a full dealership" on the property.

On several occasions in the past, we understand interested parties have attempted to establish auto dealerships in Campbell, but have been stymied because some dealer in a neighboring city has claimed it would be "infringing" on his territory.

However, the same dealer who protested the "infringement" had no idea of opening a dealership in Campbell. So Campbell is left with no new car agency simply because of this "dog in the manger" attitude.

Our question is then how come the same thinking does not hold true in Cupertino which also borders on areas in which flourishing car agencies have been established for years.

We would like to get the answer before we blow a fuse.

We bitterly resent this dog-in-the-manger attitude.

OUT on the LIMB

with George Vierhus

We did some exploring last week with Councilman Charlie Rose. The story and pictures on the front page of this issue are the results.

We were much impressed by the possibility of developing that old and unused gravel pit at the edge of the city limits into a recreational area for the city.

After crawling down into it and examining it from many angles, with and without a camera, we feel that it could solve the answer for a much needed park for the city. The area is big enough to develop into play areas, including room for a swimming pool, softball fields tennis courts, horseshoe pits, and even a nine-hole golf course, plus room for parking.

We readily admit that to visualize such a development takes considerable imagination.

—o—

But there is nothing wrong with having imagination, providing one can temper the dreams with practicality.

From what we gather there is not much that can be done to unused gravel pits in the way of making building sites for either industry or homes. We understand that this pit has remained in its present state for more than 20 years.

It is an eye-sore now but it wouldn't have to remain that way.

With our cute little wife, Dorothy, we have recently played a lot of nine-hole golf at the Sunken Gardens course in Sunnyvale. Originally, we understand, that, too, was a gravel pit.

But it has been landscaped and developed into a real garden spot.

Recently we took Councilman Charlie Schmidt, a far better than average golfer, out to the Sunken Gardens course. (For the record we might add that Charlie went around the course just one over par and tied for gross for the day).

Charlie was impressed with what had been done with that old gravel pit. He, too envisions the possibilities of Campbell's pit, which, by the way covers a much larger area.

—o—

We maintain that this community needs a recreational area.

We hope that this long unused gravel pit can soon be examined by experts who could maybe translate a dream into realism.

We would also like to know ourself whether our dreams are getting out of hand.

—o—

We hope we are not alone in this.

Much has been said (and not too complimentary) about the apathy of Campbell people when it comes to civic improvements.

We hope, however, that we get a rise out of the citizenry in this project.

We feel that it is something that would benefit all of us. How about letting us know how you feel about it?

Give your imagination a fling.

—o—

In dealing with words as we do every day often just to break the routine some one in the office comes up with a teaser and for meanness tests the others. (First, however, having double-checked with trusty old Webster.)

Just recently, for example, we had a lot of fun with the word "pom pon" as it applies to the gals who add color to the football games by their activities.

Almost everyone in the office was certain that the word was "pom pom".

However, we gleefully proved them wrong by referring to Webster. (We had previously checked to be sure)

"Pom pom", according to Webster, is the name given to a cannon used in World War I while "pom pon" is the name of the flower from which the gals get their name.

Vivian Faulkner was so surprised that she called the high school to see how some of the people there would spell the word.

In case you're interested, nobody spelled it like Webster does, all said "p-o-m p-o-m".

Speaking on words and their use or mis-use we got a kick out of Charlie Gubser's column recently when he referred to various women who served in congress over the years.

He was writing about a former woman congressman and referred to her as the "ex-woman congressman". Elsie Rathbun, our efficient linotype operator changed that after calling our attention to it.

Elsie thought it should read a woman ex-congressman". After all the woman was still a woman, although she might not be a congressman.

—o—

"PeeWee" Whitewing, who handles the second chair in Denver Miranda's barber shop, is an ardent football fan. In addition, his kid brother, Bob, is one of the quarterbacks on the Campbell High varsity.

In order to see the home games played here in the afternoon, "PeeWee" has to cut corners as well as hair on the day of the game.

We were interested in learning how he did it.

It took a little rushing, he admits, but he managed recently to see all the action in a game and still kept Denver happy by putting in his regular stint at his barber's chair.

"PeeWee" explained that he used up part of his lunch hour for the first half. Rushed back to the shop, took care of a customer and managed to get back to the high school field in time for the start of the second half. He then finished his "lunch hour" at the game and then tore back to the shop after the game.

He could beat that, we told him, by taking his chair with him and cutting hair at the game.

On second thought, that might be pretty hard on the customer who was in the chair at a time a thrilling play was pulled.

But we betcha there would be some interesting hair cuts turned out just the same.

PROMOTE AUTO RACING

Lee Estrella, 695 N. Central Ave., Campbell, is listed as a director of the San Jose Quarter and Half Midget Auto Association, a non-profit corporation whose purpose is to promote auto racing among youngsters.

Over the Years

By John D. Blaine

One day when in conversation with a woman friend and wanting to be provocative I quoted something I had read, this:

"Old maids read more and more love stories and become more and more afraid of real men."

Promptly my woman friend retorted, "There are no real men!"

I was taken aback. My reply I don't remember, but it wasn't brilliant. I stopped to think. And what I eventually thought matched what I had read on this subject over the years.

I recalled that Pearl Buck well-known novelist, had made this comment on American men. "In America it seems to be thought a compliment to say of a man that he is just like a boy. It ought to be an insult."

Before I read what she said I had seen in books on phychology that one chief fault of American people is adult-infantilism. Hence for the humor in her comment I was not unprepared. I say, humor. I didn't take it very seriously.

But later I had an experience that fitted her comment and that I did take very seriously.

For an article of mine about to appear in a business magazine the editor asked for my picture. Now, I had not had a gallery "sitting" taken since the age of eight. When the proofs came by mail for my selection to be retouched I expected to be hurt by signs of aging, wrinkles and what not. For these I was prepared.

For what I saw I wasn't prepared at all. I had been thinking of myself in the usual American way, somewhat complimentary, of "just like a boy". What I saw was that most terrible of all things, a MAN! I would hardly have been more horrified if I had seen a picture of a mummy.

I wanted to die. I did die. I died as an American man feel- "just like a boy". Then and there I resolved if possible to grow up and be a man really. And that resolution made all the difference in the world. I no longer clung to boyishness. I no longer regretted growing older.

It actually became fun to be my years. And over the years it has been fun ever since. And I'm continually boasting of my age. That is, I am proud of myself as I grow older instead of feeling sorry for myself.

And the older I grow the more I believe in exercise, all sorts of exercise, and especially exercise deliberately planned. That's why I take daily bike rides and even play tennis.

As for mental exercise, I'm writing a book. Suppose that book is never published. No matter, I shall have had the mental exercise of writing it.

This column, of course, is a great privilege. And to write it is not only mental exercise, it is "spiritual" exercise.

What is meant by "spirit"? We speak of school spirit, community spirit, the spirit of America. Perhaps the word spirit is sometimes a little high-flown. If we want to bring the same idea right down to the ground we can say "attitude." What is the school attitude, the community attitude, the attitude of America?

And by the way, what is our community attitude toward the problem of cycling children?

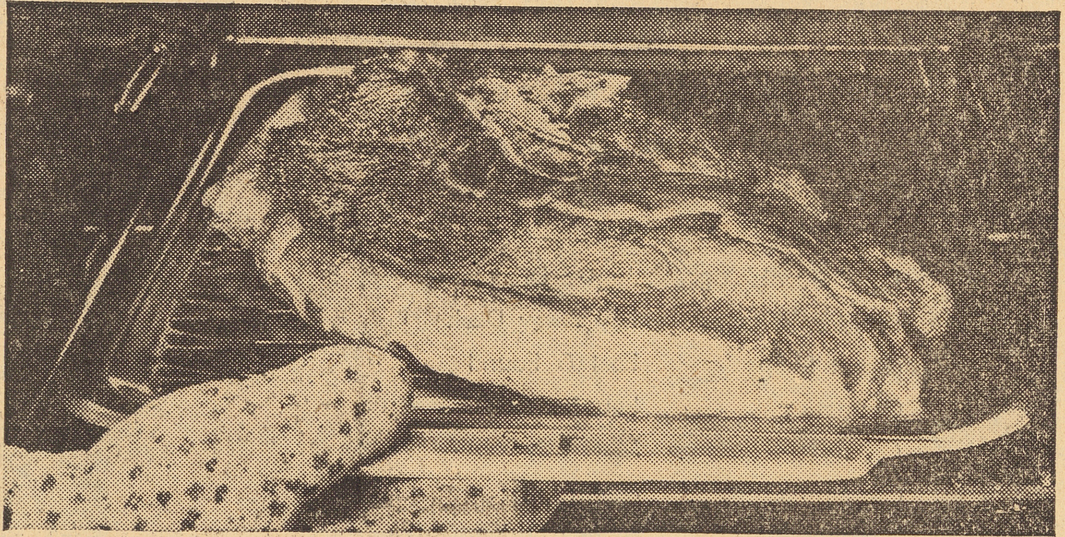
In my last column about cycling children I wrote, "I hold that improvement in cycling children must be integrated with improvement in non-cycling adults."

The general reaction of adults to that series on cycling seems to have been favorable, But it has been perhaps a little one-sided. The idea of integration hasn't much caught on.

Will Ike have to send troops here as he did to a certain place in the South? If so, the troops will be to regulate crossing the street between crosswalks and the careless opening of left side car doors.

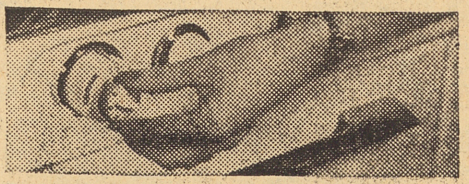
From a cycling view, Campbell Avenue from Third Street to Dillon Avenue is a bottle-neck. And careless jaywalking and left-door opening tempt even me to ride my bike on the sidewalg "just like a boy".

Perhaps the word "integration" is in this instance a little high-flown. We have the good old word "cooperation". Possibly much improvement in cycling children awaits more co-operation on the part of non-cycling adults.

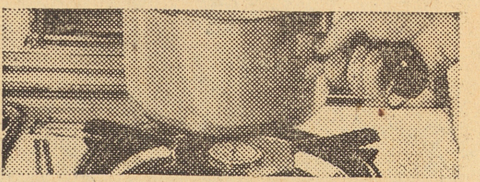


Smokeless cooking. Broil or barbecue—there's never a whiff of smoke on the new gas ranges. And the results? Mouth-watering flame-kissed flavor *every* time!

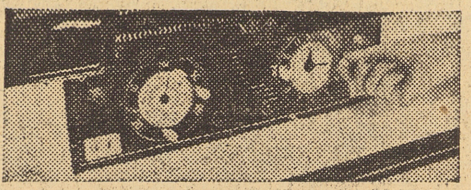
Look 'what's cooking' for you
on the new, *modern* gas ranges



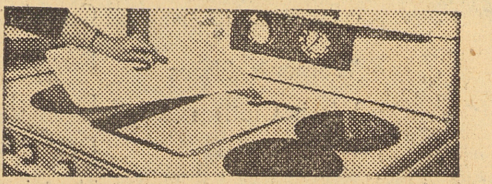
Easier cooking. Automatic timer turns off heat when cooking time is up. Simply set it —and forget it!



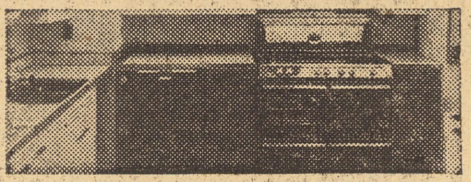
Automatic cooking. Just set the dial—heat is regulated until food is done. No more scorching or boil-overs!



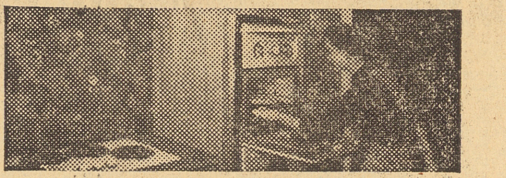
Carefree cooking. Just set oven controls and relax. Your oven goes "on," cooks, shuts itself "off"—automatically!



Griddle cooking. No more waiting for enough sandwiches or pancakes to go around. Today's griddles are king-size!



Colorful cooking. Like daffodil yellow? . . . party pink? . . . seafoam blue? You'll find it in today's colorful gas ranges.



Convenient cooking. Plan your dream kitchen any way you want it . . . with work space galore, no-stoop baking and broiling.

Natural Gas is cheap in California!

So, maybe you don't care to go in for a complete new outfit. So, who do you think you're kidding? Well, maybe necessity says that you'll make the old one do. It's phenomenal what new accessories can do for last year's suit or dress. A new bag or belt or especially a new hat can make you feel new all over. **RACHEL'S** has a new shipment of lovely fall and winter hats chosen with that special flair for style you'll find in everything here. If you're looking for a new hat, piece of jewelry, or a complete new outfit (lucky you), you'll find fashion a first here. We noticed the most beautiful hats trimmed with pheasant plumage—perfect fall colors.

Everything around us now reflects fall. The colors we wear, our table decorations, store window displays, everything takes beauty from the part of nature that lends the greatest influence to fall . . . colorful trees. Russets, greens, reds set against blue days add a touch of loveliness to your yard or garden that nothing else can replace. Beautiful trees are a gift to be treasured if your home is naturally endowed. If not, you can set a tree now that will add color to your yard next fall.

A tree is such an important addition to a home, that choosing one and planting it is often a family affair. **JAMES RARE PLANT NURSERY** can give you sound advice and expert help in choosing the tree that you will be proud of next fall.

When you're setting the festive board, you'll appreciate a casserole that is so pretty it can be placed right on the table along with your nice china.

The Bauer Casserole the **CAMPBELL HARDWARE** is offering is just such a pretty. It comes in six colors to blend in with any shade you may have. And one of the nicest features about it is the brass frame it sets in. It has handles to save burned fingers . . .a boon to any rushed holiday cook. And it couldn't look smarter as a serving dish. Bake in it, serve in it, and love the beauty and utiliy of it at every meal. Norm says "If you want to make a hit with the cook, take home one of these."

Isn't it terrific when people are so anxious to give you gifts before Christmas? Mr. Benson of **BENSON'S CLEANERS** has one for you. Just go in and pick up your gift certificate to have one of your sweaters beautifully cleaned and hand blocked at his expense.

Of course, there's a method, etc., when you see how new your sweater looks, you will want all your clothes to get the same careful consideration when they're being cleaned. The life of your clothes can be lengthened considerably by proper care and cleaning, so it is a wise step to step into Benson's more often.

CLARK'S DRUGS is being mysterious this week, but you can bet that it means a savings for you. Just in time for the holiday permanent you've been wanting, they're offering you a Richard Hudnut Beauty Curl at a wonderful price. Be sure to go in and "ask them for details".

If you're like most women you get sick, sick, sick, of the same hair style. When you're thumbing through magazines filled with models looking lovely in party clothes and shining hair-dos, be daring. Pick a style you'd like to try and . . . try it. Of course, any hair-do needs body, and this Beauty Curl will make your hair so much more manageable and lovely.

A change of season may mean other things to men, like a change of oil and a new thermostat for the car; but to a woman, it usually brings thoughts of the change of fashion. Any woman knows that a new outfit is only as beautiful as the foundation it's based on. Mrs. Hoyle at **LE MARS** has the answer to real loveliness figure-wise. Exquisite Form Bras in all their flattering styles, durable fabrics, and budget pampering prices.

You can be lovely to look at and be comfortable too with the special comfort design of Exquisite Form. Be sure to stop in soon and see all the new fall and winter styles on hand to please you. One of LeMar's fall dresses based on an Exquisite Form will certainly increase your fan mail.

If you're planning on sprucing up the old homestead before the holidays, here is a deal just made for you. The 1c wallpaper sale at **STRONG'S PAINT CO.** offers you the chance to do something you've been planning without that shadow of price hanging over the scene to spoil the fun. You can feel that you're really saving yourself half the price during this sale, for that is exactly what you're doing. You can decorate two rooms for the price of one in beautiful designs and colors.

Stop in and look over the wide selection. With a deal like this, you may want to do the buying for the papering you've planned for spring.

Johnny and Thelma Sullivan at **WESTERN AUTO** have a pre-holiday gift for the lucky buyers of any of their beautiful Wizard gas or electric ranges. They have all styles, double or single sizes to order from. Besides offering you an oven big enough to hold two holiday turkeys in their Deluxe 30" model, they're giving away a really fine set of waterless cookwear. Sauce-pans, dutch oven, chicken fryer, the works. It's the perfect thing for the cook who's planning on lots of company and lots of good meals.

If you haven't been in since the Sullivan's took over the store, drop in and get acquainted, and look over their big stock of toys, housewares, appliances, auto parts, and bikes and bike accessories. Johnny says the stock is coming in so fast he can't get it on the floor.

For your building needs, wherever you may be, you can depend on **WESTERN GRAVEL**. Theirs are the big red trucks hauling transit mixed concrete all over the valley. They can supply you with rocks, sand, cement and many other building materials. If you have been thinking of doing some "from the ground up' 'type building, or simply repairs, call Western Gravel for advice and estimates.

The trend in teen shoe fashions seems to be away from the bobby sock look to a smarter neater appearance. More and more high schoolers are copying the college style of flats sans socks. Vince at **GUARANTEE SHOE STORE** has some real cuties styled to match a sweater and skirt or a casual date dress.

You can choose flats in a number of fall colors to blend in with all your outfits. And you can depend on the brand names Vince carries for easy fit and comfort in the corridor or on the dance floor.

Boys are more style conscious too, and you can find shoes to take the hard wear a man on the go gives them while they're looking just right with campus clothes.

In one of the women's magazines this fall, we noticed one of those "remember when" columns. This one contained a letter from a young lady on her way to college in the early 1900's. She was writing for advice on her wardrobe and asked whether or not the fashion editor thought she would have any use for a sweater. She wasthinking of buying one, but didn't want to if they weren't being worn.

Where would the poor college girl, or any other girl be today with only one sweater? Today a sweater goes anywhere. Being public spirited, **ROZANNE** is offering sweaters at a really attractive price to any one in need of extra fashion as well as utility. And what is more appreciated as a gift than another sweater?

The **CAMPBELL MUSIC CENTER** has an exceptional offer for anyone interested in learning to play the guitar. Most grown-ups who didn't have the chance to learn to play in instrument probably still feel that they've been cheated in some way.

For children and grown-ups alike, this is the chance to fulfill that secret desire most of us have. For less than half-price, you can receive $16.00 worth of lessons for only $7.50. This is the perfect opportunity to see if Junior really has the makings of a musician without investing in an instrument until later. You can use a guitar free during the lessons.

PLANNING ON PLANTING?

GARDENER'S CHECK LIST

By The California Association of Nurserymen

REMINDERS

1. A quarter inch layer of humus material on lawns now will increase their health. Peat moss or a weed free steer manure are suggested.

2. This is a good time for planting spring-blooming bulbs like tulips, daffodils, bulbous iris, lillies.

3. This is a good time to plant shrubs, perennials and trees.

4. Protest young plants from snail injury by liberally applying snail poison around the planting beds.

5. If you have planted winter-blooming sweet peas, take time now to thoroughly spray them with fungacide.

Trees For Fall Color

If the word "autumn" were included in a word association test the responses might range from "football" to "turkey", but a great many might simply be "leaves". Often immortalized pictorially and in song, lovely deep-hued leaves have long been a favorite symbol of fall.

Many trees are noted for lovely autumn colors and from among them the California Association particularly recommends five which are great favorites throughout the state: the Japanese Maple, Sweet Gum, Tulip Tree, Chinese Pistache and Maidenhair Tree.

The Japanese Maple, (acer palmatum) has beauty of habit as well as attractive fall coloring. Growing from 10 to 25 feet in height and spreading from 8 to 30 feet in width, this almost round-headed tree has slender branches which look well when clothed with leaves during three seasons of the year and when barren in winter. The leaves, which are small, transparent (in effect, not in actuality) and deeply-lobed, are reddish when they first appear, then turn to a clear,light green and finally to a brilliant red before dropping. The Japanese Maple prefers moist, well drained soil and partial shade. This graceful tree makes an excellent tub specimen and is good to use as a colorful accent among other trees or to be planted next to water or lawns.

The brilliant fall color show put on by the Sweet Gum (liquidambar styraciflua) each year has made it one of the most popular deciduous trees in California. Its tall, pyramidal habit and star-shaped leaves also bring it acclaim whether used on lawns, by streets or as a specimen in small gardens. This tree grows up to 40 feet tall and spreads from 8 to 25 feet, depending upon the pruning treatment it receives. The vivid fall coloring of this handsome tree includes crimson, orange and yellow, making it most impressive. The Sweet Gum adapts to sun or partial shade equally well and thrives in deep, fertile, moist soil.

San Francisco, home office of many leading steamship and marine insurance companies, has 200 steamship lines and agencies with sailings to 300 of the world's ports.

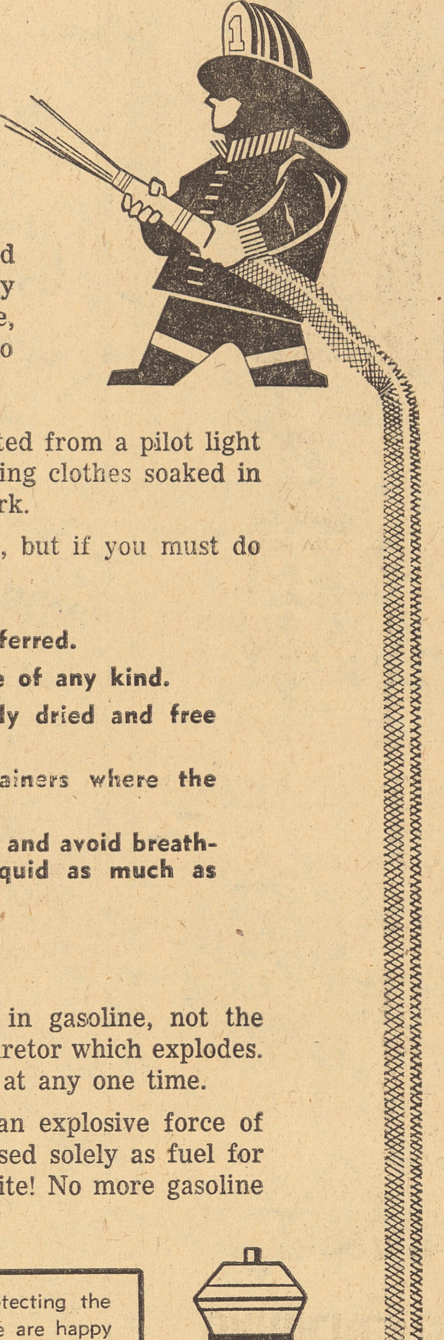
FACTS ABOUT FIRE PROTECTION



Provided by Fire Chiefs:

A. J. GILBERT	San Jose
G. N. RENN	Saratoga
R. B. WALL	Los Gatos
HENRY C. LINGUA	Central Fire District
GODFREY ZIMERMAN	Burbank

HOME DRY CLEANING is false economy and may result in a serious fire, because some dry cleaning fluids contain gasoline and, therefore, are flammable or explosive. Gasoline exposed to air gives off vapors.

Gasoline vapors in a closed room may be ignited from a pilot light or a spark of static electricity caused by rubbing clothes soaked in gasoline. Even a light switch may cause a spark.

Send your soiled clothing to the dry cleaners, but if you must do emergency cleaning at home:

1. **Do the job outdoors, the backyard preferred.**
2. **Be sure you are not near flames or fire of any kind.**
3. **Leave garments outside until thoroughly dried and free of vapors.**
4. **Store solvents in clearly labeled containers where the children can't reach them.**
5. **Use only non-flammable cleaning fluids, and avoid breathing the vapors or contact with the liquid as much as possible.**
6. **Never use gasoline.**

Remember, it's the vapor that's the hazard in gasoline, not the quantity. It's the vapor in the automobile carburetor which explodes. Only a spoonful of liquid gasoline is in there at any one time.

A gallon of gasoline properly vaporized has an explosive force of 83 pounds of dynamite. Gasoline should be used solely as fuel for combustion engines. Stop playing with dynamite! No more gasoline for home dry cleaning.

As the Fire Department's partner in protecting the community against the menace of fire, we are happy to devote this space to fire prevention messages from the Fire Chiefs in our service area.
